COMMUNITY CHEST

Dream your little dreams,
But give to the Community Chest.
Scheme your little schemes,
But give your conscious a rest.
Give.

JAMES HAWKINS, Head Sepia Division

THE TRUTH AND THE LIGHT — You already know the work of the Community Chest and the organization it sustains, therefore we can omit on you to back and push the Chest drive this year. . . . Too much Shaw for Hampton at the Fish Bowl this year by one touchdown. The veteran Bear braditers had too much field generalship for Coach Jefferson's Pirates. . . . Arabia Temple and Nobles Leroy Burk, Herman J. Harris, David C. Muckle, Morris Richmond, Bob Jones and C. Tom Younger can well be proud of the Shriner's effort toward the TB and Cancer Funds thru the Fish Bowl Classic drawing a capacity crowd. Harris is founder and General Chairman of the Classic. . . . Attractive Dorothy Nixon was crowned "Miss Fish Bowl Classic" as she alighted from her pert Dynaflo Convertible during the half. This department thinks it would sound better if the word Lobster or Clam would sound better. . . . Willie Bellamy was definitely the outstanding footballer of the game. . . . Instead of Charlie Ventura, Herb Lance entertained at the Town Club. . . . The 150 piece lighted high school band stole the show during halftime.

RALEIGH RECORDINGS OF PEOPLE AND PLACE . . . Miss Beryl O'Kelly, a student of Hampton Institute and the daughter of Mr. and Mrs. A. T. White of Method, N. C. spent six weeks in Mexico this summer. Miss O'Kelly went with a group of white and Negro students and counselors to do playground work with little children in a camp there. This group was sent by The American Friends Organization of Philadelphia. This is a Quaker Organization. There were other groups in other parts of Mexico but only three colored people were sent with this group.

SING A SONG OF SIXPENCE — Mrs. Vi Turner of Durham Stopped The Feet last week by guessing the owners as being left to right, Ed Merrick, Arthur Godfrey, and J. H. Wheeler, so the above smiles of Dr. Ralph Bunche and Dr. C. B. Powell, owner of the AMSTERDAM NEWS seem to muse over the Secretaryship of the NAACP, during the Roy Wilkins, Walter White tangle. Bunche has been prominently mentioned as a possible head of the NAACP. What do you think? Write to this department and give your opinions and suggestions as to the best man to head the national organization without too many belt-buckling guffaws from other factions.

SILKY VERBAGE AND SCOTCH — Miss Mary Glymph married Saturday to James Andrews of Winston. . . . Mrs. Amelia Hamlin of Raleigh spent a very pleasant vacation in Mexico. Mrs. Hamlin motored there with Mr. and Mrs. A. T. White who made the trip to bring their daughter, Miss Beryl O'Kelly back to Raleigh. The Whites and Mrs. Hamlin stayed in Mexico eight days.

SPICE THAT DISCOVERED AMERICA — Well-known sports writer, Alex Rivera (see pic) has organosticated the CIAA Champs to be West Virginia because of non-loss of man-power, what do you think. . . . About 150 people attended the City Council meet last week to witness or fight the live or die battle of Federal Housing, and it passed. Dr. C. C. Spaulding, a local leader rose to speak and declared "If it's going to pass, I have nothing to say". . . . Buddy Incorporates His Own Music Publishing Co.

NEW YORK Signaling the expansion of his music publishing interests, bandleader Buddy Johnson has completed incorporation of his Sophisticate Music Company, the music publishing firm he set up two years ago, which henceforth will operate as Sophisticate Music Inc.

At the first meeting of the stockholders of the new corporation held Sept. 20 in the Sophisticate Music offices at 1619 Broadway, Buddy was elected president. James F. Johnson was elected vice-president and Jim McCarthy was named to the office of secretary-treasurer. Buddy, who originally set up

Sophisticate Music in December, 1947 as a publisher affiliate of Broadway Music Inc. for the purpose of handling clearance of his own compositions, has since expanded the firm to the point where its catalog numbers more than fifty selections and is rapidly increasing.

Earlier this year Sophisticate Music signed ace composer-arranger-maestro Milt Buckner, former star of Lionel Hampton's band, to an exclusive writer's contract. Under terms of the pact, Sophisticate gets publication rights to all original compositions by Buckner, which he waxes with his orchestra for MGM Records.

Sophisticate Music is also negotiating for the purchase of the catalog of bandleader Illinois Jacquet's Gilbert Music Publishers firm, which comprises some 15 original compositions recorded for RCA Victor by Jacquet and his band.

Among the publications of Sophisticate Music since its entry into the publishing field have been such hit songs as "I Don't Care Who Knows," "I'll Wait And Pray" and "Did You See Jackie Robinson Hit That Ball?" The firm's "plug" songs include "Lovely In Her Evening Gown" and "As I Love You."

Cab Calloway Breaks Record In Seattle

This past week The King of Hi-De-Ho Cab Calloway and his Caballiers broke all existing records at the Palomar Theater in Seattle, Washington. Playing to standing room only, Cab received one of the greatest ovations he has ever had in his long and successful career. There is no doubt that Cab's recent smash engagements have been helped by his latest record release on the new 49 cent RCA Victor Bluebird label, "O! Joe Louis (He's Still King Of Them All)" backed up by "Your Voice." Undoubtedly the best record Cab has made in the past ten years, RCA Victor has already sold over 500,000 in the first two weeks since it was released. Joe Louis fans all over the country have been flocking to the record stores to buy this great tribute to one of the finest athletes this country has ever known.

Bali in Washington, D. C. on Sept. 30th for one week. Cab has already invited Joe Louis to Washington as his guest and elaborate plans have been made to present the President of the United States with a personally autographed record by both Cab and Joe.

Roy Brown Giving The Small Towns A Break

CONROE, TEXAS Music lovers and entertainment starved people, living in small towns will be getting a regular diet of major entertainment in the future if Roy Brown's recently launched one man music for everybody policy catches on.

charge off these differentials to These new fans will later help "promotion and advertising." In the long run, the books will more than balance and we shall have built a whole new audience. It's good business as well as a builder of good will."

The blues singing maestro will make this the first stop among small places he has asked his booking agents to include on all subsequent tours.

Following his one night stand here Saturday night, he will make stops in such towns as Winfield, La. and Alexandria, La. between big dates in other Texas and Louisiana cities.

In discussing the new plan with newsmen and columnists in Dallas last week, Brown explained the thinking behind what many are tabbing a radical move in the music business. Said the likeable recording favorite "If we are to find new enthusiasts — and new customers — in the entertainment field, there's no better place to start cultivating them than in the small towns. It's true that there isn't as much money to pay for larger guarantees but the far sighted entertainer — or band leader can

Red Caps Booked Solid For Year

COLLINGSWOOD, N. J. Steve Gibson and the Red Caps, who are currently riding high in the disc derby with their Mercury platter of "Blueberry Hill," already have been set for class bookings for more than a year ahead and have been forced to turn down many lucrative offers due to their inability to be in more than one place at a time.

The popular instrumental-vocal unit recently concluded a record-breaking summer-long engagement at the smart Martini Club in the New Jersey shore resort city of Wildwood and is currently holding forth in a six-week engagement at Chubby's in North Collingswood, N. J., one of the top mites in the suburban Philadelphia area.

To top off their accomplishments, the Red Caps recently were handed a new Mercury recording contract on the strength of sales of their smash hit platter of "Blueberry Hill," which continues to rise fast in popularity after having passed the \$250,000 sales mark. The group is slated for a major wax buildup on the Mercury label and will cut some new sides in New York in the next few weeks.

CBS Show To Be Stacked With Stars

"SUGAR HILL TIMES" CBS-TV's joyous and unstrained variety show, with Willie Bryant as master of ceremonies, presents an imposing

array of guests on CBS-TV Tuesday, Sept. 27, augmented by Comedian Timmy Rogers, ballad singer Harry Belafonte,

LENA HORNE has sung in Chicago bistros often. She got her first taste here of rising this week.

The singer led a party which included Reginald Goodwin, a businessman; William Goldbaum, owner of a cosmetics firm; Ralph Harris, her manager; Noleia Kyle, her maid; and Mrs. Lillian Harper, wife of the Chicago DEFENDER publisher, to Caruso's Restaurant on the North Side.

CARD CHECK: The manager asked Miss Horne: "Do you have a membership card?" She didn't of course. Goodwin and Goldbaum had both been

served the night before with membership cards.

Miss Horne asked bluntly: "Do you discriminate?" The manager nodded. As he herded the party to the door, he repeated that nobody was seated without a membership card and reservation. Thirty people were dining in Caruso's, which has a capacity of 250.

Next day Attorney Luis Kutner filed a civil suit on Miss Horne's behalf, demanding the maximum \$500 damages. Kutner also asked Mayor Kennelly to revoke Caruso's license and the State's Attorney to open an investigation aimed at criminal action.

the six lovely Jubileers and Roi Redman and his orchestra (CBS TV, 8:00-9:00 P.M. EST).

(NOTE: "Sugar Hill Times" is the new title for the show which has been called "Uptown Jubilee" and The "Harlem Jubilee.")

The guest roster includes Miss Thelma Carpenter, ballad singer; the Charloeters, widely ap-

plauded quartet of stage, screen and radio, and the Chocolateers, high-flying comedy dance trio. Other guests are to be announced.

Barry Wood is the program's producer and Paul Monroe is the director. Continents and original sketches are written by Robert P. Smith and Jesse Kaplan.

HERE'S BLESSED RELIEF FROM RHEUMATIC ACHES OF NEURITIS

If you have tried various things without getting satisfying relief from the nerve-racking aches and pains of rheumatism, commonly known as neuritis, when caused by a deficiency of the B Vitamins, then read this!

You owe it to yourself to try HADACOL. Yes, HADACOL, which supplies the elements your system may lack, could be the answer to your problem.

From Gault, Miss. April, 1949
For the past fifteen years I was a semi-invalid, suffering from Rheumatism. I am now on my seventh bottle of HADACOL and it has given me blessed relief from the aches and pains. I am able to do a full day's work, something I have not been able to do in the past 15 years. I feel that the manufacturers of such a marvelous remedy should be complimented by appreciative people who have benefited from its use.
—Mrs. Ophelia Jefferson.

From DeQuincy, La. Feb., 1949
My mother suffered with Rheumatism for years and had tried nearly everything without benefit. She started to take HADACOL and she improved rapidly. Then, my father saw such an improvement in her that he started the treatment. Now, thanks to HADACOL, they are both doing fine. All our praises to HADACOL and its founders.
—Mrs. Duell Smith.

From Flat Wood, Ala. March, 1949
I am 75 years old and have suffered with Rheumatism. I started to take HADACOL and since the second bottle I threw away my walking stick, and now I feel almost like a new man.
—Mr. Calvin Moore.

From Bogalusa, La. Feb., 1949
I was suffering from Rheumatism, unable to do anything. Tried all kinds of things. I started to take HADACOL. Now I can do any of my work and am doing fine. I recommend it to everybody I meet.
—Mr. John W. Carter.

IS HADACOL A MIRACLE FORMULA?

No. There is nothing miraculous about HADACOL, but sometimes the results people get from its use seem almost that way. Your doctor can tell you that a continued lack of the B Vitamins and certain Minerals in your system will cause bodily disorders such as diseased nerves, resulting in rheumatic aches and pains, commonly known as neuritis.

When this deficiency disorder exists there is no known treatment — no medicine — that will bring you positive relief except the needed Vitamins and Minerals. Of course, certain types of aches and pains may come from other causes, and you should see your doctor regularly, but don't wait. Start taking HADACOL now.

HADACOL contains no drugs, no oil, no narcotics — only Mother Nature's nutritional elements. Drugs and medicines play a relatively unimportant part in the treatment of any form of Rheumatism. They give only temporary relief and fail to attack the basic cause of the trouble.

HADACOL comes to you in liquid form, already dissolved so that it will be readily and easily absorbed into the blood stream. After you take HADACOL a while, healthy and vigorous blood will surge through your whole body, bringing five of Mother Nature's B Vitamins and four of her important Minerals to your every

muscle, to your nervous system and to all of your delicate tissues and vital organs, thereby helping Mother Nature to replace or repair and to even nourish the nerve cells and tissues that may be damaged or sickly as a result of the deficiency of the Vitamins and Minerals that HADACOL contains.

The people whose letters appear above are just a few of the thousands and thousands that HADACOL has already benefited. Medicines and treatments didn't help them — what really needed was a supply of the Vitamins and Minerals contained in HADACOL. In fact, many persons who suffered, waited and hoped for as long as 10 to 20 years — cases deemed almost hopeless — are now able to live happy, comfortable lives once again.

This is because HADACOL attacks the source of the deficiency disease. Be fair to yourself. Temporary relief is not enough, so try HADACOL today! HADACOL is easy to take — pleasant to taste.

No matter where you live — no matter who you are — if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering! Don't be miserable! Get a bottle today from your drug store — HADACOL. Don't wait. To delay may be dangerous. Reclaim your energy and vigor! Enjoy life! Yes, to feel your level best — take HADACOL. Sold in two convenient sizes at all drug stores. Trial size only \$1.25. Large Family Economy size \$2.50.
