Two Durhamites Report Pleasant Florida, Cuba Trip

Mrs. Althea Harris Jones of North Carolina College and Miss Constance S. Young have just returned from having spent, they report, the Christmas holidays on one of the most delightful trips one could imagine — touring Florida and Cuba.

These ladies left, by bus, to Lumberton, December 22nd joining Mrs. Estelle Eaton, who planned and maneuvered the trip. Mrs. Eaton is Supervisor with headquarters in Lumberton. Mrs. Sadie Kerns of Winston Salem and Miss Gertrude Jervay of Wilmington, N. C. completed this most congenial and happy party which motored from Lumberton to Miami.

First interesting stop was in quaint old Charleston, S. C. spent two pleasant and sight seeing evenings and nights in Jacksonville visited the "Fountain of Youth" and other attractions in old St. Augustine, Florida.

Scenery all the way, with balmy weather, was superb but but when one saw "Daytona Beach" with its glamorous colorings in houses, wonderful flowers and shabby it was overwhelming to one who's not before visited this part of the "sunny South."

It was gratifying to ride through the campus of Dr. Mary McLeod Bethune's wonder college. From there the way was wended, still along the coast to Miami — another wonder city. Christmas day was enjoyed here — then, on Monday, December 26, this party took flight on the Pan American Clipper — a delightful 55 minute sail in the air — which landed us on the strange ground of Havana and surrounding country.

A social hour was held at which time the hostess served a delicious repast to the following members:

Cardui works internally to help minimize painful contractions of the organ muscles. Thus it aids in overcoming a frequent cause of cramps. Maybe your suffering is needless, too. See what aid of this modern type can do for you. Ask for a bottle of Cardui.
