

## 1950 Heart Drive To Continue Through Feb.

**NEW YORK**  
The 1950 Heart Campaign, sponsored by the American Heart Association and its affiliates, is scheduled for the entire month of February, it was announced this week. The nationwide drive to combat heart diseases, will be under the national championship of A. Y. Robertson, Chairman of the Board of the Westinghouse Electric Corporation. The campaign has a goal of \$6,000,000 to support the Association's attack on heart diseases through research, education and community service. All racial groups are participating in the nation-wide drive.

Introducing the campaign, Mr. Robertson declared that, "the outlook was never more hopeful for control of the heart diseases, our nation's leading cause of death. Recent developments in medical science have already contributed greatly to the alleviation of several types of heart disease. Medical scientists believe we are on the threshold of new and even greater discoveries. Research, to push through to final solutions, is needed more than ever. The public's support of our medical investigators was never more vitally necessary."

"White researchers continue to seek news answers, Mr. Robertson said, "it is no less important that we make the best use of the scientific knowledge we now have. For this reason the American Heart Association has expanded its program of public and professional education and community service in centers throughout the nation. The need is still pressing for the organization of local heart associations in other areas of the nation so that heart programs will be generally available to all our citizens."

## An Informal Glance At The W. D. Hill 'Rec' Center

By MRS. M. H. JOHNSON

For a change, those attending the Saturday night youth dance were treated to a good sized helping of fresh music instead of the usual canned variety. Could it be because the mild weather has induced our gardens to come early? The Maroon and Grey Sextet appeared at the request of Little Willie Stone, the Center disc jockey, to let the people of Durham know that musicians are still alive locally. Members of the Combo are Skip Norwood, alto sax; Donald Leas, piano; Conwell "Sacroilic" Douglas, bass; Jimmy Rogers, trumpet; Walter Best, trumpet; Daniel Brown, drums; Robert Hooker, guitar. In spite of competition from the famous song stylist of the year, Larry Donnell, who was playing in town, the Maroon and Grey Combo packed a capacity crowd.

On Friday, January 27th, Dewynne Tillman celebrated her fifth birthday by sharing with the children of the Play School her ice cream and cookies. Her brother Eric Tillman who has been absent for several weeks was heartily welcomed by the pupils and teachers.

A meeting of the parents and teachers of the Play School was held at the Center Monday, Jan. 30th to discuss the progress reports of the children. Those attending were: Mesdames Bass, Edna Cannon, Loris Ray, Minnie Forte, Martha B. Jones, Fannie Hall Ruben Weston, Japhene Reed, Mae Spaulding, Elna Spaulding, Francis Schooler, B. Lipscomb, Marie Speigner, Catherine Day, Alma Peddy, Mabel Davis, Josie Holt, Lulu Booker and Miss Carolyn Page who represented her sister Mrs. Tillman and brother Mr. Page.

Mrs. G. Moore Green has organized a new ballet group for children whose ages range from six to nine years. Anyone interested in enrolling should meet at the Center on Thursday afternoon 4:00 p. m.

The W. D. Hill Male Ensemble is growing by leaps and bounds. At their regular Thursday meet-

ing last week the following officers were elected: president, Harold Hayes; vice-president, James Davis; secretary, Nathaniel Dickerson; assistant secretary, Johnnie "Briche" Brittain; treasurer, Landon Dickerson; sgt. at arms, Willie Stone; business manager, Kenneth McDavid Walker. The Ensemble meets twice a week, Monday and Thursday at 8:00 p. m.

The youth clubs of the Center again shouldered their responsibility as citizens, when their president, Nathaniel Dickerson, presented \$40.87 to Attorney Franklin Brower, chairman of the Negro division of the March of Dimes Campaign. The sum was the total contributions of all the youth clubs. The Wedlock Club, an adult group, also contributed \$5.00.

Several of the clubs are planning activities for the near future. Make plans now to attend some of them. The Teen Age Boys' Club is sponsoring its annual church service on Sunday, February 12, 6:00 p. m. at St. Joseph A. M. E. Church. Dr. C. Sylvester Green, former editor of the Durham Morning Herald is the featured guest speaker.

The Craft Group is preparing Valentines and invitations to its Valentine Party, Feb. 18 at 4:30. They have recently obtained a jig saw to help them in their wood, plastic and metal projects.

The Ballet Group is sponsoring a "Hit The Jack Pot" Program Thursday of this week. Have you sharpened up your wit?

The Le Fleur Garden Club is giving an entertainment for their husbands of the club women on Feb. 13 at the Center.

## Beauticians' Convention To Plan Better School Program, National Interest Stirred; Miss Joyner Speaker

(Calvin's News Service) NEW YORK CITY

Marjorie Joyner, the National Supervisor of the United Beauty School Owners and Teachers Association, has this week issued many thousands of invitations to beauticians, school owners and teachers throughout the nation to attend the 4th annual convention of the Association to be held at the Hotel Theresa February 27th through March 2nd. The Association's President, Mrs. Allura Stam of Memphis, Tenn. has announced that the theme of this year's discussion will be a better school finance program.

The convention, which convened in Los Angeles last year was greeted by the Mayor and other city officials. This year, New York officials and prominent State Legislature members have pledged to give all possible cooperation with the local beautician-sororities and clubs to help make this 4th convention another success. Its main sessions will be broadcast from the scene by local radio hook-ups. Credit Union Plan Considered. Sponsoring a nation program of school aid, the delegates will

discuss new teaching an financing methods for graduates. A credit union plan will be a major topic. There is a need for a credit union to help beauticians to secure low cost loans for emergency purposes and other forms of finance. Due to the high rate of interest, Negro beauty shop owners have had to pay loan sharks, it is expected that the beauticians' organizations will soon call upon their members to subscribe funds to establish credit "unions" among themselves in various parts of the United States.

Many beauty parlors and small firms have been forced out of business, due to the lack of proper loan facilities, and with the unemployment conditions increasing both in white-owned as well as Negro-owned shops, the need of good financial backing become one of the most important needs of the profession. Mrs. Joyner will arrive in New York City next week for a special meeting with the local arrangement committee in preparation for the forthcoming convention.

## Rev. C. M. Kinney Oldest Negro Preacher

(Calvin's News Service) TAKOMA PARK

Ninety-six-year old Reverend Charles M. Kinney, pastor-emeritus of 100,000 Negro Seventh-day Adventists, may well be one of the leading contenders for the title of America's oldest living Negro minister.

Although he lives in a private room at the Riverside Sanitarium, Nashville, Tenn., Mr. Kinney, who retired about 1925, is still in good physical condition. He has spent his time, until recently, rereading his many books or telling of the organization of his work among Negro Adventist churches.

Reminiscing brings out stories of life on the Richmond, Va., Slave plantation where he was born in 1855, and of his experiences as the pioneer Adventist Negro worker; of friendships and of open opposition by both whites and Negroes as he preached the keeping of the "Bible Sabbath" and the "soon return of the Lord."

Following the emancipation he worked his way west to Reno, Nevada, where attendance at a series of tent evangelistic meetings first brought him in touch

with Adventist beliefs. As he listened he became curious, convinced, and eventually converted.

The Reno Seventh-day Adventists welcomed their only Negro member and he became active in their tract society. A part of the society's work, signed by C. M. Kinney, secretary, were soon appearing in the Review and Herald, the denomination's official church paper.

Mr. Kinney's desire to preach emphasized his need of further education. Friends and the church financed two years of schooling at a Seventh-day Adventist boarding school in California. Then, in 1885 he was sent to Kansas to sell religious publications and to develop church interests.

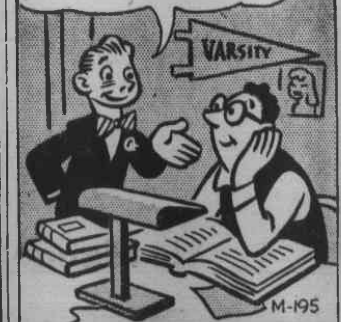

## Africa To Run With Blood If In 'Black Soviet'

(Calvin's News Service) UNION CITY, N. J.

"The whole of Africa will run with blood, and that blood will dry before the civilized world can stir a hand to stop the massacre," declared John Laurence, South African educator, in an article, "Beginning of a Black Soviet," in the SIGN. "South Africa is a dreamland for the Communist agitator," he said. "Nearly eight million Africans live in virtual slavery to fewer than three million whites, and if the Communists succeed it will be largely because of the failure of the white South African to solve the race problem."

# Klan Attack Boosts NAACP, Wilkins Says

### NEW YORK

The Ku Klux Klan's call for "militant action" against the National Association for the Advancement of Colored People was today termed a "compliment to the power and vigor of the NAACP's uncompromising fight against organized bigotry" by Roy Wilkins, NAACP acting secretary. The KKK call was issued from Jacksonville, Fla., earlier this week.

"The fascists are on the run," Mr. Wilkins said. "The power of the NAACP and other liberal organizations was demonstrated through the National Emergency Civil Rights Mobilization. The bigots in the Klan know that public opinion is turning against them and that the NAACP has been instrumental in creating a new climate of opinion, which will no longer tolerate their lawlessness. These gangsters could have paid us no finer compliment than to have singled us out as an object of attack."

## Boy Scouts Of America Recording A Gain Of 368,749 Members In 1949 According To Arthur S. Schuck

Recording a gain of 368,749 members in 1949, or an 16.7 per cent increase, the Boy Scouts of America reached its all-time highest membership peak last Dec. 31 with 2,579,515 boys and adult leaders enrolled, according to word sent by Dr. Arthur A. Schuck, Chief Scout Executive, Boy Scouts of America.

The boy membership totals 1,923,976, a gain of 302,814 during the year. Cub Scouts, the program for boys 8, 9 and 10 years of age number 766,635 a gain of 157,919 or 25.9 per cent.
