MISS BAINES FETES BRIDGE CLUB

Miss Lucille Baines was hostess last Monday to her bridge club at the Algonquin Club-house. Guest players for the evening were Mrs. Josephine White and Miss Evangelyn Vidal.

A delicious menu was served, after which tallies were drawn and four progressions of bridge played. Prizes were done up beautifully in Christmas wrappings and were awarded as follows: Guest prize to Miss Vidal; first club prize to Mrs. Isabel Harden, with second to Mrs. Lydia Ruth Betts.

Other club members enjoying Miss Baines' hospitality were: Mesdames Mable Davis, Arnelo Robinson, Juanita Beatty, Candis Pemberton, Mable Watson, Mandell Scarlett, and Georgia Whitted.

Mrs. Mary E. Carter, 1627 Kensington, Kansas City, Mo., is mighty proud of her beautiful flower garden and she likes to keep it in tip top shape. Her garden won't be looking run-down any more because she now has the pep and energy to get out and work since she started taking HADACOL. Her system was deficient in Vitamins B-1 B-2, Niacin, and Iron which HADACOL contains.

Here is Mrs. Carter's statement: "Before I started taking HADACOL I had an awful hard time with aches and pains. Seems like all the wind would have to do is blow a little and I would catch cold. I had an awful hard time sleeping—seems like all I did was sleep between pains—just cut naps all night long. Then I heard one day how other folks were being helped by HADACOL. I have taken three bottles of HADACOL and the change is amazing—no more aches and pains—and sleep—why, I sleep 8 hours without waking up. I feel wonderful—just wonderful—thanks to HADACOL!"

Thousands Are Thankful for the way it has helped their systems which lacked Vitamins B-1, B-2, Iron and Niacin. Yes, even hundreds of doctors have recommended HADACOL to their patients.

And these important Vitamins and Minerals in HADACOL come to you in special liquid form so that they are quickly absorbed and assimilated in the blood stream, ready to go right to work at once. HADACOL even helps to build up the red blood cells (when iron is needed) to carry these precious elements to every part of your body.

Relieves Cause of Your Trouble from Such Deficiencies

HADACOL now makes it possible for you to relieve the active cause of vague aches and pains and a general run-down condition when due to deficiencies of Vitamins B-1, B-2, Iron and Niacin. So why be satisfied with symptomatic relief when you can now relieve the cause with HADACOL. . . . Yes, relieve those deficiencies directly! So what are you waiting for? Why continue to suffer? Why be miserable?

Know what it means to get that wonderful, wonderful HADACOL feeling! Make up your mind that you'll start this very day and take HADACOL. HADACOL costs only a small amount daily and is sold on a strict money-back guarantee. HADACOL must help you, or it costs you nothing. Trial-size bottle only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from the LeBlanc Corporation, Lafayette, La. —Adv.

Durham County Teachers Association met with the City Association to hear the noted speaker. Pointing out certain definite symptoms of maladjusted children, Dr. Jordan gave several possible remedies which will aid the classroom teacher in meeting, diagnosing, and helping these children. At the end of the address members of the audience asked questions, and a lively discussion followed.

This meeting was the first in a series centered around the Association's interest for this year, "Mental Health, a Potent Factor in The Total School Program."
