Coach Mark H. Cardwell presented the awards to Letter winners and to numeral winners. In his remarks Cardwell pointed out that this team had surprised everyone and that he was satisfied with their record for the year. No one had expected anything, he continued, but they got a lot more than that this year. It was a great bunch of fellows out there struggling and working everyday to meet the toughest opponents in the land. It was pointed out that the Florida A. and M. College had claimed the National Championship but had played only a few tough foes. They took on Wilberforce, the same Wilberforce defeated by State 23-19, and got a licking 13-6. West Virginia State probably played more first division teams this year than any other college in the country, rating should be way up in the Big Ten when the ranking come out.

A MERRY CHRISTMAS

BECAUSE... HEROD THE KING JILTED FOR OUR JOY

"Now when Jesus was born in Bethlehem of Judea in the days of Herod the King, behold, there came wise men from the East to Jerusalem, saying, 'where is he that is born King of the Jews? For we have seen his Star in the East and are come to worship him.'"

When they saw the Star, they rejoiced with exceeding great joy... And when they were come into the house, they saw the young child with Mary, his mother, and fell down and worshipped him: and when they had opened their treasures, they presented unto him gifts, gold, and frankincense and myrrh."

THEY REFUSED TO RETURN THE CHRIST CHILD TO WICKED KING HEROD AND WENT ON THEIR WAY.

May the season give you peace.
