

An Informal Glance At The W. D. Hill Recreation Center

BY MRS. M. H. JOHNSON

The Youth Council of Clubs held its annual election of officers on Saturday night. The new slate of officers for 1952 are as follows: president, Harold Hayes; vice president, John Ross; secretary, Shirley Richmond; assistant secretary, Doris Hooper. At this meeting, it was also decided that the regular meetings would be held on the first and third Saturday nights, instead of the regular weekly meeting nights.

Mr. Alonzo Hill of the Wall-town community brought a group of teen agers to the Center last Monday night for a night of square dancing. Mrs. Har-groves of our staff directed the activities. The following persons participated in this activity: Marian Love, Margaret Anderson, Barbara Harris, Patricia Holman, Angela Rogers, Evelyn McKnight, Daisey Ann Williams, Shirley Faulkner, Ann Black, Fannie Moore, Betty Jean Higgins, Hazeline Harris, Charles Adams, Harry Lawrence, Clinton Flintall, Bennie Brandon, John Love, Ulysses Brown, Carl Hill, Lorenza Thomas, Bobby Slade, Charles Rogers, and James Hill. Many who had not participated in this type of activity learned the regular steps, and found themselves dancing right along with the others be-

fore the evening had progressed too far. The Golden Age Society is planning an outing at the home of Mr. and Mrs. Samuel Holloway, of Bragtown, this week. Among the many activities planned, the group especially looks forward to viewing the picture collection of Mrs. Holloway. The collection consists of over three hundred different pieces, each one interwoven with a special story.

Several of the clubs at the Center are planning dances on several successive Saturday nights. The Les Bonnes Amies' date is February ninth. On Saturday February sixteenth, the Aloha Club will have their dance. The Youth Council of Clubs donated ten dollars to the annual March of Dimes Drive. James "Jap" Davis is home on a convalescent leave after having suffered a dislocated shoulder in a jeep accident. Billie Baines gave us a preview of what the young man about town will wear this year when he came in wearing a red and green Scottish Claid plaid sport jacket. Billie is attending Hampton Institute this year. William Payne has enrolled at North Carolina College this quarter after having been separated from the Armed Forces.

Noted Singer Top Radio Star

NEW YORK CITY — Contralto Marian Anderson was named among the National Broadcasting Company radio programs and stars awarded 11 first places by radio editors and critics on American newspapers and magazines participating in the 16th Annual Motion Picture Daily-Fame radio poll. The NBC awards totaled more than those for the next two networks combined.

Miss Anderson, who has appeared as guest on the NBC "Telephone Hour," was voted Best Classical Female Vocalist. Also in the classical division Ezio Pinza, NBC-TV star, who has appeared on the radio "Big Show" was voted Best Classical Male Vocalist.

"The Big Show," the network's 90 minutes extravaganza on Sunday evenings with Miss Tallulah Bankhead as mistress of ceremonies, topped the list of best programs of the year, winning the coveted Champion of Champions category, the poll's highest award.

4-H \$50,000 Drive Nears Halfway Mark

GREENSBORO — The drive for \$50,000 being conducted by The 4-H Foundation of North Carolina, Inc., neared the half way mark when a total of \$21,500 was reported at the annual meeting held here at A. and T. College last week.

J. H. Wheeler of Durham, president of the foundation was optimistic when he said to reporters following the meeting: "The success of the campaign is practically assured since we have other sources from which we expect to draw a substantial part of the balance. The real point on which we are most happy is the fact that all of the funds which we have already received came from the "grass-roots", the 4-H Clubbers, their parents and associates."

Only five of the fifty-one participating counties have achieved the financial goals originally set, but many others are within easy starting distance. Northampton, Pitt, Durham, Granville and Person Counties were the first to reach their quotas and three others, Hertford, Lenoir and Alamance are expected to "go over the top" within the next few days.

The immediate objective of the Foundation is to establish and maintain two 4-H Club Camps for Negro youth in North Carolina. Present plans call for one to be opened in the Western section and a second in the eastern section of the state. Long range objectives include: The provision of educational trips and tours as prizes based on record of leadership and project to deserving members; Educational materials to be used by the members and for such funds needed to supplement 4-H Club program among Negro youth in North Carolina.

Fight On Blood Bias Pushed

NEW YORK — Although investigation of the policies of the American Red Cross in New York revealed that there is no segregation of blood or other discrimination against Negro blood donors, the National Association for the Advancement of Colored People announced this week that its fight to establish a definitive national policy will continue so that blood segregation will be uniformly eliminated throughout the country.

Herbert Hill, NAACP assistant field secretary, and a committee of the United Department Store Workers, CIO, Local 15, made a thorough investigation in New York as to the treatment of Negro blood donors, labeling, written records, plasma containers and distribution of blood.

Heidelberg to Rome, a distance of 900 miles, and back again. During the two-week conference sessions in Rome, he also provided transportation in the crowded and unfamiliar city.

Interracial School In N. C. Lists Scholarships For Worthy Students

BLACK MOUNTAIN — The Board of Fellows of Black Mountain College this week announced the establishment of nine work-scholarships to be granted to qualified students in the order of receipts for application.

Five of these work-scholarships are being made available in connection with the program of farm expansion in five areas: beef, dairy, hogs, chickens, vegetables.

Each of the five students chosen will be placed in fairly complete charge, under the supervision of the Farm Manager, of one of the five areas. Up to thirty hours of work per week may be required and the work-students will receive a full scholarship, i. e. room, board, tuition at the college.

Farm-work scholarship students will be selected on the basis of their qualifications for taking charge of one of the five areas, and on their ability to do, and their interest in doing, college work. (Ability to do college work does not necessarily mean that the student must have a high school diploma.)

Of the other four scholarships two will be granted for work in the office, for which some training in either bookkeeping or secretarial work will be required, and two for work in repair and maintenance, specifically plumbing and carpentry. These four may also be up to full-time work with full scholarship.

The second semester of Black Mountain College opens February 11. The program of studies includes the areas of biology, social sciences, language and literature, philosophy, mathematics, the fine arts.

'Rights' Issue Big In Elections

BOSTON — The key issue in the 1952 presidential election is civil rights, because it and it alone has caused the split in the Democratic ranks and the scramble of candidates for the White House.

This was the view expressed Wednesday by Roy Wilkins, NAACP administrator, in a speech to the 6th International convention of the Retail, Wholesale and Department Store Union, CIO, in the Hotel Bradford. Wilkins spoke following an address by James E. Carey, secretary-treasurer of the CIO.

Mrs. Idell Jones Randall are 4-H Club Specialists.

Spears and wife to George Goodloe (single) recorded in Book 88 of Deeds, page 139, in the office of the Register of Deeds of Durham County. Cairo, Ill. Schools Face Loss Of State Support For Keeping Its Segregation Policy Intact

CAIRO — The public school system of this southern Illinois city faced suspension of financial assistance from the state following failure of the school board to eliminate segregation. Assurance that state aid would be cut off was given to Lester Bailey, NAACP field secretary, by Mrs. Lucy T. McPherson, county superintendent of schools, following presentation to her January 30, of 20 affidavits of Negro parents charging discrimination against their children.

The fight to open the "white" schools of this last stronghold of Jim Crow in the State of Illinois has been spearheaded by the Cairo branch of the National Association for the Advancement of Colored People with the assistance and guidance of Mr. Bailey and Miss June Shagalloff of the NAACP national office.

The initial effort to bring school policy in Cairo in line with that of the remainder of the state was met by an outbreak of violence in the community including the attempted bombing of the home of Dr. U. F. Bass on January 29 and a shotgun blast at the home of Dr. J. C. Wallace on January 28th. Both are leaders in the fight to end Jim Crow in Cairo.

Tar Heel GI Wins Citation

HEIDELBERG, GERMANY—Corporal Joseph Phillips, son of Robert Williams, 220 South Highland Street, Winston-Salem, North Carolina, was personally cited in a special ceremony recently for his participation in "one of the outstanding feats of vehicle operation in the European Command."

Corporal Phillips was one of 19 men of the 519 Transportation Car company stationed at United States Armed Forces European Command headquarters Heidelberg, Germany, singled out for the award.

The drivers were cited for their outstanding duty performance in safely providing passenger transportation for some of the world's highest level civilian and military leaders, including Secretary of the Army Frank C. Pace, who attended the North Atlantic Treaty Organization Conference in Rome, Italy, during November.

Cpl. Phillips was detailed to drive important passengers from
