

250 P.-T. A. Workers Hold Meet At A. and T.

GREENSBORO
Two hundred and fifty parents, teachers, principals and supervisors attended the Second Annual Parent-Teacher Leadership School at A. and T. College last Saturday.

The one day workshop had representatives from parent-teachers associations in thirteen counties making up the Sixth and Seventh Districts of the North Carolina Congress of Colored Parents and Teachers.

The morning session was opened with a keynote address by Mrs. A. A. Scott, first vice-president of the Greensboro Council of Parent-Teacher Associations. Mrs. Scott outlined some of the important functions of the P. T. A. She also urged the group to take a more active part in promoting the work of the organization and in helping to lay a foundation for the development of future citizens. Other persons taking part in the opening session were Rev. Cleo M. McCoy, College Minister, and Mrs. Carrye Hill Kelley, Associate Professor of English at A. and T. College.

Main "avenue" of the slum district of the Philippines are planks resting on stilts sunk in a deep canal where water lilies grow in abandoned profusion. Notice make-shift homes with lean-to sheds where clothes are washed by residents.

Person County Hi School News

On April 18, Person County High School was host to the debating teams of Hillside High School, Durham, North Carolina and Warren County Training School; Wise, North Carolina.

The subject this year is RESOLVED: THAT ALL AMERICAN CITIZENS SHOULD BE SUBJECT TO CONSCRIPTION FOR ESSENTIAL SERVICE IN TIME OF WAR.

Warren County Training School's negative team met Hillside's affirmative team here. For Wise, Misses Esther Mitchell and Janice Hargrave contended that All American Citizens Should Not Be Subject to Conscription For Essential Service in Time of War; while Mr. Joseph Jones and Miss Elmira Joyner argued that All American Citizens Should Be Subject to Conscription For Essential Service in Time of War.

Ronald Schooler joined Miss Joyner in the affirmative rebuttal. The affirmative won the argument by a two to one decision. The debaters for Person County High School went, on the same day to Hillside and Warren County Training School. Our negative team went to Durham and the affirmative team went to Wise. The negative team won by a unanimous decision; while the affirmative lost by a two to one decision.

The coaches are Mesdames H. H. Fountain and R. T. Hester.

The assembly program at Person County High School, on April 24, was sponsored by the Science Club. The first scene was designed to depict the typical Alchemist's laboratory, displaying modern science apparatus. The program consisted of a show of chemical magic. The many tricks performed were enjoyed by all.

The climax of the show came when the audience was warned that an explosion was about to take place. A tense audience watched Howard Harris set off the explosion. The chemicals used were dangerous, but had been carefully calculated by the science instructor, S. N. Knight.

On Friday, April 25, the 10th Class of Person County High School presented its final chapel exercise for this year. The main feature of the program was an address by Mrs. Gordon Tracy, a former teacher of Antigua, British West Indies. Music was rendered by Joseph Burton, Bryce Burton, Milton Faulkner, Stephen Faulkner and William Brown, members of the Five Tones' Quintet.
