**To The Voters of Durham and Durham County**

For the benefit of you who are not personally acquainted with him and his administration, we take pleasure in presenting

**JUDGE A. R. WILSON**

Who has always taken an active interest in church and civic affairs. He is Past President of The Julian S. Carr Bible Class of Trinity Methodist Church and a member of its Board of Trustees. He is a member of several Fraternal Orders and has held high offices in the majority of them. He is a Civitan, Past President of the Durham Club and a former District Governor of the Carolina's District of Civitan International. Year after year you will find him giving his time and talents to community civic work such as Red Cross, Community Chest and similar organizations.

**QUALIFIED**

**BY ACTUAL EXPERIENCE**

**Seeks Re-Election On His Record**

Judge Wilson, says—"I defy any one to say that I have failed in any manner to live up to the campaign promises made to the electorate of Durham County six years ago—I said them—and I repeat now, I do not now nor have I ever catered to any particular group or clique. My platform today is—as always—to render decisions promptly—without favoritism or prejudice and to conduct the court in a business-like, efficient and dignified manner."

**Rehabilitation Program**

Judge Wilson, says—"I am especially proud of the rehabilitation program of the court which is composed of working with and counseling "teen-agers," alcoholics and those so unfortunate as to have marital troubles"—and he cited the matter of public drunkenness as copied from the records of the local police department . . .

Number of arrests for public drunkenness	
1946-47	2840
1947-48	2541
1948-49	2498
1949-50	2419
1950-51	Only 1956

You can readily see from the above figures public drunkenness has decreased a total of 884 cases within a five year period and decreased a total of 463 cases during the fiscal year 1950-51 over 1949-50 . . . \*The 1951-52 statistics will be available after July 1st of this year.

Wyatt Dixon writing in the Durham Sun stated . . . "If a vote on the Durham man who is rendering unselfish, productive service over and above the call of duty was taken, Judge A. R. Wilson would receive strong support from many quarters and much of that support would come from men who have been aided in their struggle to return to normal, useful living as respectable citizens."

Much of the success of the rehabilitation program is because of the excellent cooperation on the part of Ministers, Alcoholics Anonymous, the Welfare Department and many interested citizens, the latter mostly business men who have cooperated with the court in furnishing employment.

**IT IS A FACT**

- THAT THE MAN WHO PRESIDES OVER THE RECORDER'S COURT IS ELECTED TO THE MOST IMPORTANT SINGLE POSITION IN COUNTY GOVERNMENT.
- HE ACTS AS BOTH JUDGE AND JURY IN THE TRIAL OF MISDEMEANORS.
- HE SITS AS A COMMITTING MAGISTRATE IN ALL FELONIES.
- BOY AND GIRL GRADUATES OF THE JUVENILE COURT NEXT APPEAR BEFORE HIM, IF AT ALL.
- MARITAL RELATIONS PROBLEMS ARE UP FOR HEARING BEFORE HIM ALMOST DAILY—A MAJORITY OF WHICH ARE SETTLED OUT OF COURT.
- UPON HIS DECISIONS FELLOW CITIZENS ARE DEPRIVED OF THEIR LIBERTIES.

**Lack of Time for Personal Contact**

Judge Wilson has had little time to personally contact the voters of Durham County due to the fact that he has to hold court every day—plus the fact that he is determined not to be away from court even one day for the purpose of furthering his own campaign. He said "The people of Durham County elected me to this job—and I'm going to stay on the job right up to the primary and leave my candidacy for re-election up to the citizenship of Durham County."
