Angels In The Backfield

Be quick to kick if things went wrong.
Be kick yourself and make it strong.
To make things right gives one delight
If he voted wrong and you voted right,
Or did you vote Angels?—UNO.

ALLADIN McFADDEN'S REPORT — There's a man going around taking names of all you people who refused to vote Saturday . . . This space will be happy to expose you if you are on his list . . . It appears we will have to have a run-off

for lack of majority vote for Lieutenant Governor, Associate Justice of the North Carolina Supreme Court, Long and Short terms, Representatives from about three districts, and several county officials throughout the state. For the first time in 162 years the Supreme Court of the United States has defined the powers of the President under the Constitution . . . A few minutes after a six to three vote saying the President can't take over private enterprise (The Steel Plants) one of the biggest strikes of the nation was called and we will begin to feel it tomorrow.

DOTS AND DASHES OVER THE NATION — Tiny Grimes, a native friend of our's from Newport News, Virginia, is reported

to be rocking the world with his "Rocking Highlanders," see pic . . . Tiny started out around the streets of Newport with a beat up Uke, and graduated to the tenor guitar when he went to New York, 52nd Street with his Bunny Rabbit Quartet. . . More young people are joining Johnny Garfield and Canada Lee and happy hunting ground because of a heart?

A REPORTER'S REPORT — Chinese cousin, Yo-ming Pay, who gets a hundred thousand dollars commission for a ragged ranch house, is a leading world architect . . . "I remember mama but I forgot papa," is not the song that will be sung at Mount Vernon Baptist Church on June 15, as Father's Day will become Men's Day with good program . . . Did you know that Billy Williams quartet is the ex-Charoters, and they went to school together and started singing at Wilberforce . . . You're taking the rap for somebody if you didn't vote last Saturday. Even a God could not love and be wise and our voters are mortal men.

SUCCESS STORY — Sepia Charles Scott, good Irish Tenor and sophomore of Howard University on Fred Warring TV past Sabbath night . . . Seven years old Sepia Gladys Knight, a contralto protege on Amateur Hour, good . . . Remember when you are young you trip all over yourself. . . But learning to get up that's the trick.

GOVERNOR SCOTT has replaced Dr. T. C. Jordan, ex-Baptist minister with N. F. Ransdall of Fuquay Springs. Umstead will probably put him back in office.—COUSIN FRANK, Logan Building.

Yankees Not Afraid Of Minnie

CHICAGO Fleet Minnie Mino is not a terror to the Yankees, so they say. They simply don't let him get on base by pitching to him high and tight. Meanwhile during the last White Sox series against the Yankees, Minnie had to sit it out because of torn tendons in his right foot.

Irvin Nearly Recovered

ORANGE, N. J. Quick healing Monte Irvin is a fellow the Giants have almost forgotten in their terrific pace to stay on top. With the cast to be removed from his right ankle this Monday, Irvin expects to be ready to play in a month IF he can make the team. "The way the Giants are going right now, it looks like they don't even need me," commented the team's 1951 slugging leader, who was at the head of the NL list for most runs batted in. Meanwhile Monte is rushing to get back in shape through special message treatments just in case the call for duty comes.
