

Pictured above are the participants in the awarding of trophies to the Community Softball League held recently at White Rock Baptist Church. C. E. Wood, director of the City Recreation Department delivered the principal address and awarded the trophies to the winning teams. Festus Harrington, official umpire, called the roll of the teams. W. J. Kennedy, Jr., President of North Carolina Mutual Life Insurance Company, presented the teams for the awards. The event was presided over by I. R. Holmes, director of the W. D. Hill Recreation Center, and Reverend Miles M. Fisher, pastor of the White Rock Baptist Church, and head of the Community Softball League.

# Virginia State Trojans Down A. & T. College Aggies 12-0

**GREENSBORO**  
The A. and T. Aggies fell before the undefeated, united Virginia State College Trojans, 12-0 for a third loss in a row which completely eliminated them from conference championship contention in a football game here at Memorial Stadium last week.

The strong Virginia outfit came up to its pre-game billing in launching a powerful ground attack that ate up yardage in the first half and passed just at the right moment to gain scoring position. Only a valiant Aggie defense which stiffened at the goal's shadows kept the home club in the game.

The Aggies lost two excellent

scoring opportunities as they advanced to the Trojans' 30 yard stripe only to lose the ball by fumbles.

Charles "Cookie" Walker, Virginia State's driving fullback was easily the offensive star of the fracas. He was a consistent ground gainer and did the effective passing for his team.

Jesse Everett, end for the Aggies was best for the Aggies and the big threat as he caught four of Miller's passes, two of which all but carried for scores.

The highly vaunted passing attack of Virginia State was all but throttled in completing only three out of fourteen attempts, but two of those accounted for the two touchdowns.

Kennedy, Jr., President of North Carolina Mutual Life Insurance Company, presented the teams for the awards. The event was presided over by I. R. Holmes, director of the W.

D. Hill Recreation Center, and Reverend Miles M. Fisher, pastor of the White Rock Baptist Church, and head of the Community Softball League.

# Livingstone College Bears Upset Morrystown College Eleven, 25-0 To End Current Football Campaign

A blocked punt, two pass interceptions and a recovered fumble were turned into touchdowns here Saturday afternoon as the Livingstone College Bears turned back an outclassed Morrystown College eleven, 25-0, to end their current football campaign.

Livingstone scored in every quarter but the second, with Lee Brooks accounting for two on passes from quarterbacks Bob Milton and Clarence Parker and Charles Gibbs and Charles Kirk accounting for the other two, the former on an end run from five yards out and the latter taking a screen pass from Parker and running 52 yards to hit paydirt.

The Morrystown eleven was clearly overmatched in every department, Livingstone getting nine first downs to their one, 135 yards on seven pass completions out of 12 attempts while Morrystown got 77 yards on four completions out of 19 attempts.

The first tally was setup following recovery of a fumble on the Morrystown 30. Milton, Gibbs and Charles Aldrich bore the brunt in carrying to the five from which point Brooks took a toss from Milton for the tally. Gibbs' attempt to run the extra point failed.

The second score came midway the third stanza after Ar-

thur Pemberton, Bear co-captain who was playing his last game for Livingstone, blocked an attempted punt by Marshall Mills on the Morrystown 28 and ran it back to the 12 yard line. Interference was ruled on a Milton to Brooks pass on the five. Gibbs then took a handoff from Milton and skirted right end to tally. Algernon Smith ran the point after.

The last two scores were set up in interceptions by Pemberton and Joe Hill, the first being taken at midfield and returned to the 32 and Brooks taking a toss from Parker on the next play to score. Pemberton's attempt to run the point after failed.

Hill's interceptions came at the Livingstone 40 and was returned to the Morrystown 41. After Parker lost to the Bear 48, he tossed to Kirk, the latter picking up good blocking to cross the double marks. Pemberton's attempt at point after failed.

Morrystown's only scoring threat came midway the third stanza when Mills tossed 38 yards to Ernest Beverly on the Livingstone 14, with Pemberton breaking through several would-be blockers to make the tackle. At that point the rugged Bear forward wall held them from downs on the six.

**BLOODY BUT UNBOWED:** Although Eugene Hairston inflicted deep cuts on nose of France's Charles Humes in Paris bout last week, latter came back to cop duke in ten rounds. Humes is demanding crack at world's middleweight crown in face of this victory. (Newspress Photo.)

## GREATEST FIGHTS of the CENTURY

Virginia State scored mid way the first quarter, Wilbur Wilson shot a bullet-like pass from his own 45 to Charles Thompson, fleetly Trojan left end, who faked off one would-be tackler to race the distance into the end zone. Charles Walker's attempt from placement was wide.

The Virginians came roaring back in the second quarter and advanced all the way down to the Aggie 25 where the drive faltered with a costly fumble. The Aggie pass offensive began working during the closing minutes of the half as Otha Miller hit Jesse Everett with a 20 yard pass and Lawrence Payne with another of the same distance only to be stopped on the Virginians 30 yard line by the clock.

Early in the third quarter Virginia State's Wilbur Wilson intercepted a Aggie pass on the A. and T. 31 yard line which set up the second Trojan touchdown. With line smashes by Walker and Wilson they carried for two first downs to the Aggie 9. Clinton Freeman, the Virginia State quarterback, jump passed to Floyd Keene, Trojan end for the touchdown. Walker again failed in his attempt from placement.

An Aggie rally early in the 4th quarter was thwarted by a fumble. Frank Willingham intercepted a Virginia State pass on the Aggie goal line and ran it up to the 20. Otha Miller passed to Jesse Everett, twice in a row which carried the ball down to the Virginia State 30 yard line where the fumble occurred.

## FIRST BASKETBALL TILT SLATED AT HAMPTON INSTITUTE NOV. 22

**HAMPTON** coach. The first basketball conflict will be played on the night of the final football tilt, both with Virginia Union. Coach Johnny McLendon says that he introduced the idea of playing the first basketball game on the

same date as the last football game while he was coach at North Carolina College. Since that time the idea has caught on and is being practiced by many of the 16 CIAA teams.

Last year Virginia Union's team claimed the Tournament championship of the conference. To challenge them will be a team of veteran Pirates led by Alan Walker of Savannah, Ga., high scorer for the 51-52 season. Chosen to be captain of this year's team is Harold Adams of Brooklyn, New York, high jumping center.

Eleven other lettered men will join these two for the season's battles: Nathan F. Deering of Knoxville, Tenn., James E. Douglas of Portsmouth, Ohio, Charles F. Edwards of Rocky Mount, N. C., Morgan Edwards of Petersburg, Va., Donald Ellis of Portsmouth, Ohio, William Evans of Waterbury, Conn., LeRoy Hedgepeth of Brooklyn, N. Y., Hammond M. Knox of Newport News, Va., Gilbert L. Railroad of Kendrick, Fla., John W. Watkins of Smithfield, N. C., and Lawrence C. Williams of Asbury Park, New Jersey. Also returning is LeRoy Woodard, a member of the 1948 team who is back in school this year.

Two Penninsular boys are at the top of the list of promising freshmen material: David Elam of Huntington High School in Newport News and Calvin F. Wales of Burton Heights High School, Williamsburg. Other promising freshmen include Levi Jones of Aiken, S. C., Clinton Shearin of Durham, N. C., Welton Knox of Kansas City Kan., and Horace Wynn of Smithfield, N. C.

Only exhibition game on the Pirate slate is the November 22 contest with the Virginia Union

If X's mark the spots where your car stalls on cool damp days...

# Get Anti-Stalling Esso Extra Gasoline

FOR FAST STARTS... QUICK WARM-UP

Anti-Stalling is another big reason Esso Extra performs best in 9 out of 10 cars all year 'round

Here's a new experience in gasoline performance... starting power that gets your engine going at a touch and keeps it going.

The only gasoline made to combat cold engine stalling... Anti-Stalling Esso Extra is also famous for quick starting, fast warm-up, high anti-knock power and long mileage. Try a tankful today for real Happy Motoring. Find out why more motorists use Esso Extra than any other premium gasoline in the area served by Esso Dealers!

While you're at your Esso Dealer's let him give your car a complete lubrication and careful check-up for the cold weather driving ahead.

Detroit's Automotive Engineers say that cold-engine stalling has been a persistent problem for years. Under certain conditions, powerful gasolines required for today's high-compression engines evaporate and freeze moisture out of the air, "icing up" the carburetor and causing temporary stalling. This stalling is practically eliminated by the new Esso Extra Gasoline. (No gasoline, of course, can correct stalling caused by mechanical faults or electrical failure.)

PLEASE DRIVE CAREFULLY... THE LIFE YOU SAVE MAY BE YOUR OWN!

ESSO STANDARD OIL COMPANY
