BY PETE ANDERSON

NOTE: This column is being written by Hugh A. Johnson, Director of the Asheville Bureau of the CAROLINA TIMES in the absence of Mr. Pete Anderson who has been called out of the city for an indefinite period of time.

RE-ELECTED TO NAACP POST

Congratulations to Mr. W. R. Saxon who was re-elected vice-president of the NAACP State Conference at its recent confab in Rocky Mount.

Mr. Saxon and Mrs. L. B. Michael were delegates to the State meeting from the local branch.

Here's hoping they have brought back enough inspiration to help stimulate at least the freedom-loving Negroes in this city to push forward on the local level.

TEEN-AGERS RADIO PROGRAM

"Disc Jockey Hop" is the name of the WLOS radio program which is being sponsored by the City Recreation Department in cooperation with a local soft drink bottling firm.

The program made its debut last Saturday night from the gym of Stephens-Lee High School. It's to be a monthly affair.

According to one of the supervisors, Mr. E. L. Fair, this new City Recreation program is designed to take the teen-agers off the streets on Saturday nights for some good wholesome recreation. We think it's a good program, good enough to be held every Saturday night, even without the broadcast.

HOME FOLKS LOSE BELONGINGS

Back from Washington, D. C. is Mr. Clifford Edington, case worker with the local Public Welfare Department. He reports that his vacation was somewhat dampened by the theft of most of his wardrobe from his automobile while it was parked on the streets of the Capitol City. . . . and word comes from Norfolk that the L. C. Robertsons, operators of the Royal Garden Cafe, were completely cleaned out in a similar manner while visiting in the Virginia city enroute to Delaware. Looks like the "city slickers" are taking advantage of us "down-home folks."

BUDDING JOURNALISTS

Congratulations are in order, this time to the staff of the newly-published newspaper of Stephens-Lee High School which just came off the press this past week-end. It's to be a monthly. We say it's a good start and here's wishing Editor-in-Chief Charlie Mae Freeland and her staff of budding journalists an increasing amount of success. . . . and speaking of Homecoming, we are sure everyone enjoyed the festivities from beginning to end. Incidentally, those of you who have not seen the Stephens-Lee football Bears in action are really missing seeing one of the better teams Coach Moore turned out at the local school.

DOES BILLY GRAHAM APPROVE?

The story and the editorial on the forthcoming Billy Graham Greater Asheville Crusade which appeared in previous issues of this newspaper are serious indictments against the noted

evangelist. Surely if Billy Graham believes in the kind of religion and the kind of God which knows no race or color, then he will come forth and renounce the policy of racial segregation and exclusion which his local sponsoring committee seems bent on carrying out.

FANS "SOOR" ON ROBINSON

A lot of local baseball fans who have been on the Brooklyn Dodger and Jackie Robinson bandwagon sort of went "soor" on Jackie during his recent barnstorming visit here. Seems that they thought the Dodger star could have been just a little more cordial!

NEGROES AND GOLF

We understand that there is a move on foot to try and get more days for Negroes at the local Municipal Golf Course. The effort is being backed by the Asheville-Buncombe County Citizens Committee of which Attorney J. Dailey is president.

COURIER ARTICLE

Apparently the noise provoked by that article on Asheville politics which appeared several weeks ago in Pittsburgh COURIER still has not died down. Accusing fingers are being pointed at a few local "leaders" as the persons re-article.

ORCHIDS TO THE LADIES

First lady to receive an orchid on Saturday at the Grand Opening of the W. E. Roland Jewelry Company, in its new location, was Mrs. Fenton H. Harris, Sr.
