"One Day's Trouble Is Enough"

By REVEREND HAROLD ROLAND Pastor, Mount Gilead Baptist Church

"Tomorrow can take care of One day's trouble is enough for one day. "Matt.

Jesus reminds us of the use lessness of wasting our energie in worrying about tomorrow How life would change many of us if we only knew this bit of spiritual wisdom taught by Jesus. God has arranged time so we can handle it, and yet we get it mangled and mixed. We cling to yester-day when it is gone. We burden and weary ourselves with yesterday's problems and cares.

Why make unnecessary trou-le for yourself? Why try to run today's race with yesterday's burdens? It is unwise to worry about that which you cannot change. If you made a

time. Why? For it is true that... "Tomorrow can take care of it-self..."

Why worry yourself sick about tomorrow's problems? Leave tomorrow alone--cross bridges when you come to them.

Many of the things we fear about tomorrow never come to pass. How many times have we seen that our worry was in vain. Nothing can change what happened yesterday. You cannot solve tomorrow's problems to-day. Live your life as God intended you to live it--ONE DAY AT A TIME!

of leaving tomorrow in God's hands. Can you handle tomorrow today? NO! Tomorrow is in good hands. Just let tomorrow be. Unnecessary concern about tomorrow only adds to your confusion today. Life is easy when we live one day at a time Live fully for God and fellow man today. Let God take care of tomorrow!..."One day's trou-ble is enough for one day..."

Worry about tomorrow is a careless waste of precious God-given energy. Put everything you have in living today. Many of us waste our fine gifts in needless worry. Jesus reminds us to waste not our great gifts in worry. Stop letting your energies be washed down the drain of worry.
