During his military career, Dr. Trigg served with the Medical Corps of the Army as a captain in the phychiatric department while stationed in

Labor Relations Chair Brings Howard \$25,000

WASHINGTON
The Philip Murray Memorial Foundation last week presented a gift of \$25,000 to Howard University, for the creation of a Philip Murray Chair of Labor Relations in the University's Division of Social Sciences.

A native of Method, Dr. Trigg attended high school in Eliza-beth City and received his B. S. The gift was presented to President Mordecal Johnson of Howard University by James B. Carey, secretary-treasurer of the CIO and of the Foundation, during the 86th Annual Commencement Dinner at the University's Baldwin Hall.

Mr. Carey said he is "happy that this grant will enable the

Division of Social Sciences in College of Liberal Arts and the Hillside High Graduate School to expand the work now being carried on by the University in the important area of labor relations."

The CIO official expressed gratitude over the University's belief "that the increasing importance of the general problem of labor relations in American life makes it very desirable that we give greater emphasis to this work.'

The \$25,000 contribution will ermit Howard University to naintain the Chair for a period of three years. The University proposes to develop plans for fuure financing of the Chair after the three years are passed.

The Foundation's grant to Howard University is the six-th to be announced so far Others — totaling \$320,000 have been made to the Amerinave seen made to the American Association for the United Nations; Providence Hospital, Washington, D. C.; Histadrut, the Israeli Federation of Labor; the National Beligion and Labor Foundation; and the Legal Defense and Education Fund of the National Association for the Advancement of Colored People.

The Philip Murray Memorial oundation was created by the CIO to honor the memory of its late president, who died in November, 1952. Its chairman is Emil Rieve, head of the Textile

What makes a Lucky taste better?

"IT'S TOASTED" to taste better!

"I've been smoking Luckies for years," says C. C. Dejoie, Jr., "because I like the way they taste. They taste better." It's easy to understand why Luckies taste better. As you know, Lucky Strike means fine tobacco. Then, that tobacco is toasted to taste better. "It's Toasted"-the famous Lucky Strike process-brings Luckies' fine tobacco to its peak of flavor . . . tones up this light, mild, good-tasting tobacco to make it taste even better ... cleaner, fresher, smoother. That's our story: a Lucky tastes better because it's the cigarette of fine tobacco...and "It's Toasted" to taste better. So, enjoy the better-tasting cigarette ... Lucky Strike.
