Reverend H. Albert Smith Says 'Hurricane Hazel God's Voice'

APEX
The Rev. H. Albert Smith told his congregation at the First Baptist Church Sunday morning that Hurricane Hazel was the voice of God confronting them with inescapable moral and religious obligations, and reminding them that there is a God on the Throne of the Universe whom men must recognize and accept as their Lord and King.

Rev. Smith said that last Friday men feeling self-sufficient realized how utterly helpless they are and dependent upon a power outside of themselves. "They saw rampaging, destructive fury that was headless to human protests and beyond the control of human power."

"For that reason," Rev. Smith said, "some men who forgot to pray on Friday morning remembered at the noon hour. Others who didn't have time found time. And some who are not in the habit of praying, thought prayer might be worth trying."

Rev. Smith said Hazel's advent was a warning to the unrepentant, those at ease in Zion, church members who are blocking the highway of salvation and pretending to be Christians while spitting upon the cross and in rebellion against God.

"Hazel is a warning that there is a limit to divine patience and to men to get right with God before it is too late," he said.

In concluding, Rev. Smith pictured the glory of the evening skies following Hazel's departure, skies above the west-

tern horizon emblazoned with un-speakable heavenly radiance as the sun dipped below the sky-line. He said that was an hour of relief from tension and fear, an hour of gratitude to God.

"In this I find a parable of life," the minister said. "Furious storms may be the lot of the faithful Christian throughout life. But in the sunset of his life, there will be a sunrise of indescribable glory as he enters into an eternal day of perfect fellowship with God and reunion with those whom he has loved long since and lost awhile.

Then will come the realization of the words of the Psalmist, 'I shall be satisfied when I awake with Thy likeness.'"

THIRTY-FOUR YEARS OF PROGRESS SEEN IN EXPANDED DAUGHTERS OF DORCAS PROGRAM

The Daughters of Dorcas Club, well known in Durham for its good works, had its beginnings in 1917 as a small sewing circle. Of the present thirty-members, four are charter members. The club, now a member of the North Carolina Federation of Negro Women's Clubs, has expanded its activities into such projects as the following:

1. The Moore Fund. The late Dr. A. M. Moore gave the first five dollars toward establishing a fund for medicines for the indigent sick. The fund, now kept alive from the budget of the club, is available for emergency cases.
2. The Whitted Chest. Named in honor of one of the late presidents, Mrs. Nellie Whitted, and maintained by gifts of members and friends, contains new and used garments and shoes for the needy.
3. The Dorcas Room at Lincoln Hospital. This is a room completely furnished and maintained by the club. Also, on the annual Hospital Day each club member donates pillow cases to the hospital.
4. Annual Donations to the United Fund.
5. Cheer Cards. Approximately 400 cards of sympathy, condolence, congratulation, etc., are sent yearly, regardless of the race, creed or color of the recipients.
6. Entertaining Others. Through the years the club has entertained the ministers of the city and their wives, the professional men and wives, and the city school teachers. For the past few years the club has given a party for the blind at Christmas.
7. Wheel Chairs. Three wheel chairs owned by the club are furnished without cost to invalids as long as needed.
8. Thanksgiving Baskets. Fifteen to twenty baskets of food and fruit are distributed yearly to the sick and needy.
9. Christmas Remembrances. These consist of cards to the elderly, to the sick, and to the ministers and their wives; a box to the Girls' Home at Kinston, containing a gift for each girl; and sometimes carol singing and gifts of fruit for the inmates of the County Home.
10. Miscellaneous Activities.
