YWCA Summer Camp Opens July 22 At Crabtree Creek

The Summer Camp of the Harriet Tubman Branch of the YWCA starts next week July 22 and remains in session until August 4, it was announced by Mrs. E. M. King, camp director. The two week camp will be held at Whispering Pines, a part of the Crabtree Creek State Park, and girls between the ages of 9 and 18 are eligible and urged to attend.

The camp site is conveniently located on highway 70 between Durham and Raleigh. The facilities are modern and the cabins are substantially built. Practically all of the comforts of home are provided. All living quarters are screened in and all have electricity and modern plumbing.

For the health and safety of the campers a trained dietitian, a registered nurse and an American Red Cross Water Safety instructor are on duty at all times. The general staff includes a camp director and several well trained counselors with loads of personality who know how to make a camp vacation an unforgettable experience.

The well balanced program is composed of music, dramatics, dancing, swimming, nature study, hiking, evening campfires, worship, arts, crafts and all kind of games and land sports. A Red Cross approved life saver is assigned to protect every ten girls. To protect the health of the camp community a health certificate not more than a month old must be presented by each camper. In addition a Typhoid vaccine is a must.

Applications for either of the two weeks periods, July 22 or July 28 may be picked up in person at the YWCA, 312 Umstead Street, or by applying by mail. A camper may enjoy both weeks but no registration for less than a week will be accepted.

The cost for the wonderful camp experience is actually less than it costs to live at home. A one week period costs \$15 and the two weeks period will cost only \$25 if paid in advance. If for a reason of ill health a camper is unable to attend the second week, a refund for the second week will be paid upon request. There is an additional fee of \$3 which covers a \$2 membership, health examination and insurance and \$1 for transportation. This last item can be saved if parents take their own children.

For moments to remember, girls don't wait. Get your applications in today. If you know be part of the fare for the picnicers.
