Charlotte Is Scene Of Meeting For AME Women's Missionary Society

CHARLOTTE — The Western North Carolina Conference Branch of Woman's Missionary Society of the African Methodist Episcopal Church held its 13th session recently at Bethel A.M.E. Church here.

Rev. P. O. James, pastor of Bethel, and Dr. C. A. Stroud, presiding elder of the Morganton district, were host clergy-men.

Dr. D. Williamson, presiding elder of the Greensboro district, served as acting bishop in the absence of the Rt. Rev. Frank M. Reid, presiding Bishop of the second district.

The two day session was presided over by Mrs. Hortense Du-hart, conference branch president. She was assisted by Mes-ses J. L. Lawrence and L. M. Hodge, first and second vice presidents, respectively.

Among the highlights of the convention was the annual sermon by Dr. Melvin Chester Swann, pastor of Bethel A.M.E. of Greensboro.

Following the message, 160 persons joined in communion services conducted by presiding elders Dr. G. S. Gant, Raleigh, Dr. G. A. Stroud, Dr. D. Will-iamson and Dr. J. D. Davis, Dur-ham. They were assisted by par-ticipating ministers.

L. E. Thompson served to help keep convention matters alive.

The convention was largely attended by ministers, some of whom included Dr. L. S. Penn, Raleigh, Dr. C. C. Scott, Ashe-ville; Dr. R. L. Upshaw, Raleigh; Dr. D. A. Johnston, Durham; Dr. W. A. Page, Morganton; Dr. T. P. Duhart, Chapel Hill, Dr. G. W. Troublefield, Hickory; Dr. L. M. Thompson, Winston-Salem; Rev. M. T. Phillips, Lenoir, and Rev. A. M. Jones, Hillsboro.

Sessions by the Young Peo-ple's Department were held un-der the leadership of Mrs. Dor-othy Swann, Episcopal director, and Miss Goldie Fullwood, president. "Forward with Christ Through Missions," was the theme of the Youth Convention.

FIRE RAZES SCHOOL PLANT

GRAMBLING, La. — A flash of lightning set off a fire here Wednesday night which destroyed the Grambling High school building valued at approximately \$250,000.

The 400-foot building was struck during the height of an electrical storm.

Crews from Ruston, Arcadia and Grambling prevented the blaze from spreading to an ad-joining gymnasium, elementary school, luncheon and library.

THEY LIKE IKE AT UNIVERSITY OF ATLANTA

ATLANTA, Ga. — Eisenhower was victorious by 491 votes over Stevenson in a straw ballot for president held at the Atlanta University Sum-mer School on Tuesday. There were nine votes for Harriman, two for Kefauver, and one each for Warren and Russell.

Although the vote as a whole showed an overwhelming prefer-ence for Eisenhower, the fac-ulty and staff gave Stevenson a slight edge, voting 38 for Ste-venson, 35 for Eisenhower, and

3 for Harriman. The 745 ballot cast represented more than 90 percent of those eligible to vote, much higher than the voting average in the south, according to Dr. C. A. Bacote, professor of history at Atlanta University, who arranged the straw vote.

The results of the election dif-fered sharply from a recent Gallup Poll of northern and western Negro voters which showed 77 percent favoring the Democratic party and 69 per-cent favoring Stevenson as pre-sident. The Atlanta University poll showed less than 33 per-cent for Stevenson.

In a poll taken at Atlanta University in 1952, Stevenson was the winner by three to one.

'free world' for more than a generation, has been justifica-tion for segregation in industry and in public places throughout the city, and made of our Na-tional Capital a by-word in contradictions, to the delight of the enemies of freedom.

"While the Eisenhower Ad-ministration labors to remove the last vestiges of discrimina-tion and segregation from the city, and from Federal estab-lishments throughout the coun-try, those who labor should re-member the source of this in-sult to loyal Americans, this shame to the Capital of our Country, and barrier to the confidence and goodwill of the world beyond our shores."

Getting back to Harry—we think that the former ex-ecutive President should qualify for the Olympics for that historical broad-jump!
