Big Joe Cotton, the basketball star, who pitched a brilliant no-hitter last week, was the hero in the contest. He came on in the top of the third with the bases loaded and one out to squelch a Maryland uprising. They scored two runs in that frame, one off of starter, Theodore and another on a long fly on Cotton. This closed the gap to 3-2 in favor of the Aggies. After that Cotton was never in real difficulty. The losers got one scratch single off of Cotton and that in the sixth which developed into the one-run charge to him.

Kairi Miles, Aggie catcher, who hails from Princess Anne, home of the Maryland Club, helped his team with a homer, with none on in the second and a double in the eighth-inning rally.

Willie Wyatt charged with the loss, was relieved by Joe Brown in the eighth.

The win gave the Aggies a 6-1 record for the season.

The familiar saying "A-1" originated with the famous insurance firm, Lloyd's of London. The World Book Encyclopedia states that Lloyd's rated ships according to how safe they were. If a ship was considered a good risk, Lloyd's rated it "A-1."

Strawberries, apricots, apples, raspberries, peaches, cherries are all members of the rose family.

Archie Moore Overweight, Says He'll Get Slim

LOUISVILLE, KY. If hefty Archie Moore wants to scale in without a problem at his next fight, he'd better taper off five pounds for the May 9th bout in Vancouver, B. C. — but meanwhile he fought German Willie Besmanoff in Louisville with the weight problem. Moore, who has been enjoying his good living, has been gradually getting, says he'll taper down even it affected the light-heavy champs' punches.

Archie meanwhile, who got in the fight game late but hopes to make a real killing before quitting, says he'll taper down even more if he can meet Sugar Ray. And more still to fight Floyd Patterson.

At the Louisville fracas, which showed Archie as a tired and overweight boxer, the champ weighed in at 196 1-2 his opponent, 191.

WSTC, NCC Strong Contenders In CIAA Championship This Week-End

BALTIMORE, MD. Will Winston-Salem Teachers College, triple championship winner at the Penn Relay, de-throne Morgan State as CIAA track champ?

That question will be answered when the thirty-seventh annual CIAA Track and Field Championships are held May 9-10 at Morgan's Hughes Stadium.

Morgan will be defending the title she's won nine years in a row, and for the first time, Bear chances of holding on seem seriously threatened.

The eighteen CIAA schools and approximately 15 high schools will enter teams in the two-day meet. Action gets underway on the afternoon of Friday, May 9 with one final, the sprint medley relay, scheduled for that time. The other finals will come on Sat. afternoon.

"I honestly don't see how we can win it," Coach Eddie Hurt said, pointing to the magnificent performances of Winston-Salem's Rams and the North Carolina College Eagles at the Franklin Field Carnival.

In that meet, Morgan came in second in a thrill-packed mile relay, pushing Villanova to a new 3:11.8 record. Bobby Gordon placed second in the yard dash and the Bears garnered thirds in the freshman mile relay, the quarter, half-mile relays.

But the Rams set a new record of 53.8 in the 430-yard shuttle hurdles, won the 120-yard high hurdles through the skill of Elias Gilbert, and came in

of Florida State, Bob Woodruff of the University of Florida, Gene Ellenson of the University of Miami, and trainer Sam Lankford of the University of Florida are included in the top list of consultants for this year's clinic.

Woody Hayes, coach of the year for 1957 and head coach of the Rose Bowl champions of Ohio State University, heads the out of state coaches to appear here for the five day confab. The football section will be June 9-11 and basketball, June 12-13.

Phil Reavis of Villanova won the event with a leap of 6-8, followed by Don Stewart of SMU, with a jump of 6-6.
