WILMINGTON RULES Slapping Is "Self Defense"

"BIG BELL"—New Bern's Walter Bellamy (6' 11") towers over his coach Fred McCracken as he receives Dell All America award at the end of last season. The Tarheel hardwood star is now in Rome where he and other members of the U.S. Olympic basketball team are preparing for Games.

Climax to Bellamy Story To Be Written in Summer Olympics

NEW BERN—From rage to Rome could be the title of the Walter Bellamy story.

A recent letter from Bellamy to his grandmother which contained the terse matter of fact statement, "We are scheduled to leave America for Rome August 18" sums up an episode which marks the climax of the Bellamy story.

The statement meant that Bellamy, a member of the United States Olympic squad, would be leaving for the eternal city to represent his country in the 1960 summer Olympic Games.

A total of 15 beauticians had been nominated at press time Wednesday and nominations were being received in every mail and at the office of the Carolina Times from customers or friends of beauticians both in and outside of Durham.

With practically 4 more weeks to go before the actual voting begins on September 9, the management of the Carolina Times expressed the belief that the number of contestants may reach well over 150, provided the nominations keep up with the pace set the last week.

With three grand prizes at stake, including a free airplane round trip to Hawaii as the first prize; a free airplane round trip to Haiti as the second prize, a free airplane round trip to Bermuda as third prize and 15 per cent commission paid to all non prize winners the contest is expected to develop into red hot sizzler before it ends on October 31.

Any licensed beautician in North Carolina is eligible for the contest which will be run for a period of six weeks beginning September 19 and ending October 31 as announced.

Victim Convicted on Charges Of Obstructing and Intimidating

WILMINGTON — Testimony of two lawyer-colleagues was apparently the key factors in clearing a district attorney here Monday who admitted to slapping a Negro twice in the courthouse.

Judge H. Winfield Smith, after hearing evidence in the case Monday against Solicitor John Walker, issued a verdict of "not guilty." But he reprimanded him and warned him not to let a similar incident happen again.

Walker had been charged with assault and battery by David Robinson, whom he admitted slapping in an incident in a conference room in sight of the Recorder's bench at the courthouse on Friday.

Before issuing the verdict, the Judge said testimony to the case indicated that Walker appeared to be in danger of attack.

This line of testimony was produced by attorneys H. E. Rogers and W. J. Cannady, both senior members of the court here who testified in Walker's behalf.

Both Walker and his slapping victim Robinson told substantially the same story of the incident which occurred last Friday.

They said when Robinson insisted on being present at a conference between Walker and his 13 year old nephew Bernard Robinson, Walker slapped him twice, knocking his glasses to the floor and breaking the nose-piece.

Walker did not intimate in his testimony that he thought Robinson was about to attack him.

Miss Love has been active in Red Cross and community service groups for several years.

Workmen had nearly completed digging out the floor of the pool at mid week. Work on the new facility is expected to be completed in time for next season.

When finished, the pool will be 82 and one half feet long, 30 feet wide at the deep end and 50 feet wide at the shallow end.

The swimming pool corporation will undertake the project of raising funds to erect a bath house and installing lighting facilities.

Officials estimate \$4,000 will be needed for these items.
