On Sept. 13 Federal Court Judge Wilson Warlick ordered the Yancey County Board of Education to admit eight Negro students to a white high school in their own See OVERTURNS page 6-A

A.M.E. Zion Official Blasts Kennedy's Failure To Take Civil Rights Stand On Recent Trip to N. C.

Alexander Barnes, Director, Public Relations A.M.E. Zion Church and candidate for the State Senate from Durham County said Wednesday Negroes can expect no solace from Democratic candidate John Kennedy's visit to North Carolina.

Speaking to a group of leaders in both Raleigh and Durham Barnes said that Senator Kennedy answered the question that many people asked, "What is the dif-

ference between the civil rights plank of the two parties?"

Barnes held that Mr. Kennedy's failure to say anything about civil rights while touring the state showed very plainly that he could stand on the Democratic plank in Harlem, Chicago or San Francisco, but had to run away from it in North Carolina.

Barnes contrasted the actions of the two candidates and pointed to the fact that Vice-President Nixon

had spoken out in Greensboro, Birmingham and Atlanta. He praised Nixon for telling the people of Roanoke, Virginia, last week that he would have no part of a segregated meeting.

Barnes went on to say that the Democratic plank was written by northern liberals, who looked helplessly on when the southerners aborted it by putting Lyndon Johnson on the ticket.

"JUSTIFIABLE HOMICIDE" RULED

Policeman Who Shot Negro 5 Times Freed

SANFORD—An all-white male coroner's jury cleared a policeman here Monday night who shot to death a Negro in an incident early Sunday, Sept. 4.

The jury deliberated 25 minutes before returning a ruling of "justifiable homicide."

The victim of the shooting was Alonzo Womble, 27. Five shots were pumped into his body by W. F. Thomas, member of the Sanford police force early Sunday, Sept. 4.

Testimony during the hearing by Thomas and A. M. McDougald, Negro member of the police force, was in conflict as to the kind of wounds Womble suffered.

Thomas testified that he used only his pistol. But McDougald said Thomas told him he fired once with a shot-gun.

A medical examination of Womble after the shooting disclosed that his body bore five wounds, three in the chest, one in the left shoulder and another in the left hand. One of the wounds tore a hole approximately an inch in diameter in his chest.

According to testimony during the hearing, police received a call
