State-Wide Talks To Be Held at NCC

The Thirteenth Annual North Carolina Resource-Use Education Conference will be held at North Carolina College at Durham, Durham, North Carolina, November 17. The one-day Conference will begin at 9:00 a.m. in B. N. Duke Auditorium.

This announcement was made today by Dr. Theodore R. Speigner, Director of the Division of Resource-Use Education at NCC and State Chairman of the North Carolina Resource-Use Education Conference.

The keynote speaker will be Dr. Les' W. Anderson, Professor of Secondary School Administration, the University of Michigan.

The State Resource-Use Education Conference is designed to create an awareness in supervisors, principals, and teachers of the unlimited natural resources which are available in every community that should be used to enrich instruction. Dr. Speigner said.

Through clinics, workshops, and institutes during the one-day Conference, participants will be exposed to methods, techniques, practices, and activities for using the State's resources to enrich learning, to implement instruction, and to improve the level of living.

The general theme of the Conference is: "Teaching for Resource Use Education Competence." According to Dr. Speigner, "the 1960 State Resource-Use Education Conference will emphasize the importance of preparing teachers and students to make the maximum contributions through Resource-Use Education techniques in science, social sciences, and mathematics in this space age."

The morning session will feature a symposium for high school juniors and seniors titled "The Social Responsibility of My School in Developing Skills and Attitudes through Resource-Use Education." Choral and band music will be furnished by several outstanding high school aggregations from various sections of the State.

During the afternoon session, which begins at 2:00 o'clock, Dr. George L. Fersh, Associate Director, Joint Council on Economic Education and the Council's Director of the Conservation and Resource-Use Education Project, and formerly Professor of Social Studies, State University of New York Teachers College, will deliver the principal address.

Fifteen Resource-Use Education clinics, workshops, and institutes will get underway immediately following the general session at 2:00 p.m.

INTEGRATION IN TENN. RIDE-INS BRING BUS LINE

JACKSON, Tenn. — Ride-in demonstrations by NAACP students from Lane College here this week resulted in integration of the city's bus lines.

More than 40 students took part in the week-long demonstrations that resulted in a successful conference between bus company executives, city officials and student leaders.

"MISS SHAW UNIVERSITY"—Pictured is the lovely Bettie Ridley, a junior of Raleigh and a special privilege honor student who will reign as "Miss Shaw University" during the Home-

coming celebration at Shaw on Saturday when the Bears tangle with the North Carolina College Eagles. Miss Ridley is an elementary education major.

Alumni Told of Their Importance

Durham Business College Alumni Association held its first meeting for the school year in the college auditorium recently.

B. T. McMillon, instructor in the North North Carolina College Health School and Chairman of the Alumni Association of North Carolina College gave the main address.

His subject was, "What the Alumni Association Means To The College And Students." Everyone present enjoyed his address immensely.

After the address, Mrs. L. M. Harris, President of Durham Business College introduced Hugh Hedgspeth, Chairman of the Durham Business College Alumni Association. He is a former graduate of Durham Business College, holds a BS Degree at North Carolina College and now is a member of the faculty of Durham Business College.

Hedgspeth talked to the mem-

bers about the Association and stated that he was willing to work, but he would like to solicit their cooperation. After Hedgspeth's talk, the Alumni enjoyed a round table chat and social hour.

Royal Welsh Choir At J. C. Smith Nov. 1

CHARLOTTE—Johnson C. Smith University will present the Royal Welsh Male Choir in concert on November 1, at the Northwest Jr. High School Auditorium at 8 p.m. The program is the second in a series of Lyceum programs sponsored by the University.

The choir, under the direction of Stanley Williams, is the only group to hold a Royal Charter for Choir. This honor was bestowed in 1895 by Queen Victoria.

This is the choir's first tour of the United States since 1908.

Dorcas Club Opens Season With Optimism

By MISS C. S. YOUNG
The "Daughters of Dorcas" Club has opened! This was joyful news to loyal members on Thursday evening October 6 at the Algonquin Club House when nearly 100% of the whole membership answered to the roll call. This was reassuring of the devotion has when so many showed anxiety to keep the true "Dorcas spirit"

alive and to work this season, as in many years gone by.

"Daughters of Dorcas Club" is one of the, if not the oldest, in the city and can boast of a number of consecrated presidents and devoted members. The dearly beloved Mrs. Cottie S. Moore, deceased; Miss Ruth Rush, though in Atlanta, still holds membership and our present beloved president, Mrs. E. R. Merrick. A number of sainted members also gone on before us.

The Banquet held in the spring was most unique and greatly enjoyed. Following was the annual picnic held on Mrs. Effie Cotton's lawn. The Roll call at this falls first meeting netted \$54.25. Projects contributed to: the Scholarship Fund, Blind Project, Summer Project Penny Savings, the Girls Training School at Kinston, Cheer Cards to sick and bereaved, Whitted Chest, from which clothes in abundance are given to needy folk and other projects are works "Dorcas Sisters" engage in.

Last Thursday night at the Y approximately 100 persons enjoyed the Club's Homecoming Party. Seldom does anyone see such a happy group or as much food as was delightfully set for all to enjoy. Everyone had a grand time and too much praise, nor thanks, can be given our very efficient Program Committee for making this feature a part of our splendid program for the year. Onward "Dorcas Sisters"—may your lovely

spirit spread to every corner of our great country.

CARD OF THANKS
Mr. William Smith and Family express their sincere thanks to the many friends and neighbors for the kindness and many prayers shown during the illness and death of his wife, Mrs. Creasy Smith of 1619 Fayetteville Street.

TB DRIVE CHAIRMAN—Carl C. C. Council of Durham, newspaper and radio executive will be state chairman for the 1960 Christmas Seal Campaign. Dr. Stuart Willis, president, announced at a meeting of the board of directors of the North Carolina Tuberculosis Association here.

Dr. Willis said Council is well qualified to be the honorary leader of 98 local chairmen because "his abiding interest in people has placed and kept him in responsible positions of public service concerned with alleviating the suffering of mankind."

Council is President and Treasurer of the Durham - Herald Company, publishers of the Durham Morning Herald and the Durham Sun. He is President and Treasurer of the Durham Radio Corporation operating stations WDNC and WDNC-FM, and he is director of the Capital Cities Broadcasting Corporation operating WTVD-TV.

Mishoe

Continued from 1-B
1939 to 1942.

Joining the United States Air Force in 1942 as a private, Dr. Mishoe was promoted to the rank of 2nd Lieutenant by 1946 and later to First Lieutenant in the Reserves.

Following World War II, He spent two years as professor of Mathematics and physics at Delaware State College.

In 1948, Dr. Mishoe joined the staff at Morgan State College as Associate Professor of Physics where he continued in that capacity until 1954 when he was appointed Professor of Physics until the present time.

In addition, Dr. Mishoe was named chairman, Division of Natural Science at Morgan State College, in 1956 until the present time.

He succeeds Jerome Holland who resigned last year to accept the presidency of Hampton Institute.

Plumbers In N. Y. Drop Race Bars

NEW YORK — The NAACP announced this week that a Negro will be admitted into an apprenticeship training program of a plumbers' union for the first time in New York. The disclosure was made by Herbert Hill, NAACP labor secretary.

Hill also announced the admission of a Negro for the first time into a sheet metal apprenticeship program in St. Louis set up in a Negro-owned firm after the local AFL-CIO rejected Negroes.

Dawson Says Six Million Will Vote

WASHINGTON, D. C.—Congressman William L. Dawson of Illinois, vice chairman of the Democratic National Committee, predicted Tuesday that close to six million Negroes will vote on November 8, the largest vote in their history, and over seventy-five per cent will vote for Senator John F. Kennedy.

Dawson cited estimates of the Census Bureau released last Saturday that 9,988,000 Negroes will be of voting age on November 8.
