

Brushing the Blues Away

BOOST MORALE at the end of a long, hard day, try a washing, relaxing bath, followed by brisk massage with a long-handled nylon brush. The combination of a calming, sudsy wash in the tub with the gentle stimulation of the brush is a highly effective beauty treatment. Mohawk foot brush shown here is the latest aid to home pedicures, and provides double action. Long, semi-soft "Tynex" nylon filaments on one side cleanse feet efficiently, soften and smooth rough skin areas. Short, stiff nylon bristles on reverse side of brush aid in scrubbing hard-to-clean toe and heel areas. Resilient, long-lasting "Tynex" dries fast, doesn't get soggy or matted. Brush also doubles as elbow, back and body brush.

Appeal For Dimes Campaign

Joining with important leaders appealing for generous support of the 1961 New March of Dimes are left to right: John Sengstacke, Chicago, Illinois, president, National Newspaper Publishers Association and publisher of the Daily Defender; Dr. W. L. Greene, Raleigh, N. C., executive secretary, North Carolina Teachers Association; Dr. Zelma George, Cleveland, Ohio, member, U. S. Delegation to the United Nations; and Harley Blaine, Jr., Hopkinsville, Kentucky, president, New Farmers of America. Your March of Dimes dollars help prevent crippling diseases.

Sherrill To Speak In Chapel Hill

Dr. O. L. Sherrill, Executive Secretary of the General Baptist State Convention of N. C. will be the guest speaker at the First Baptist Church in Chapel Hill, Sunday, January 8 at the 11:00 A. M. service.

--Philip

Continued from front page led them to believe that the woman died from a series of blows to the head by a heavy object. The side of her head appeared beaten and she suffered a severe gash on her forehead.

Several large rocks were found near her body when it was discovered.

But a Kinston pathologist, who conducted an autopsy on the woman, said the blows to her head were not severe enough to have caused her death.

Her vital organs are now being examined by laboratory experts in Washington, D. C. to determine the exact cause of death.

According to Philip told him that the woman paid a visit to his office on Monday, Dec. 26, but he said he drove her to the Raleigh bus terminal to catch a 7 p.m. bus to Kinston.

Bus officials reportedly stated that the bus to Kinston did not leave until much later and that Mrs. Tillery was not aboard.

In addition, last Friday, SBI Agent Edwards said that gravel found on the body of Mrs. Tillery matches that found in the car and garage of Philip.

Police were first led to suspect Philip when a "light colored" station wagon was seen in the vicinity of the spot where the dead woman's body was found.

Philip owns a 1958 Dodge station wagon.

Police also discovered spots in Philip's car which have been identified as blood by SBI agents.

Detective Wallace Upchurch, of Durham, also assisting in the investigation, reported that employees of Speight's Auto Service Station in Durham were questioned in connection with Philip's station wagon.

He declined to reveal the nature of the questions, but he did state that Philip's car was washed at the service station in the mid morning of Tuesday, Dec. 27.

Philip is still being held without bond because of a delay in holding a preliminary hearing. He is reportedly having difficulty in deciding on attorneys to represent him.

The Durham daily press reported early this week that he had employed Victor Bryant, of Durham, famed criminal attorney, and the mayor of Kinston, who is a practicing attorney. But this report appeared premature late this week when efforts to hold a preliminary hearing bogged down because of Philip's failure to settle on defense attorneys.

Usually reliable sources report that Philip is gaining support from several prominent quarters both in Durham and Kinston. One report held that a defense fund is being solicited for him in Durham.

The Durham daily press also reported that Dr. John J. Hannibal, prominent Kinston physician, has visited the man in his cell. He is the husband of Kinston's first Negro city council member, Mrs. Hannibal.

Church in Chapel Hill, Sunday, January 8 at the 11:00 A. M. service. Rev. J. R. Manley, minister of the church and Recording Secretary of the General Baptist State Convention of N. C., stated that emphasis will be placed on State Missions and Shaw University, two objectives of the convention.

The Junior Choir will render music under the direction of Mrs. Lattie Vickers, Miss Julia Caldwell and Miss Charlene McDougle. The public is cordially invited to attend.

COLLEGE PRESIDENTS URGE EXCELLENCE AND SOCIAL ACTION

SAN ANTONIO, Tex.—Coupling of academic excellence with social action was urged at a panel of college presidents held during the Omega Psi Phi fraternity convocation here.

Dr. Benjamin Mays, president of Morehouse College, and Dr. Lawrence Davis, president of Arkansas A&M, were featured speakers.

--Approval

Continued from front page would you favor a requirement that homes be available for sale to Negroes before they would be eligible for Federal insurance of mortgages?

J. Weaver, who is chairman of the NAACP national board, answered as follows: "I think it is a little premature to get into the techniques that would be used, but certainly I favor the idea of open occupancy and non-discrimination in housing."

Kennedy was asked about the reaction of some whites to the appointment of Dr. Weaver. He replied: "Well, I have selected a man who I think can do the job, and I am hopeful that that will be the judgment of all Americans."

The acceptance of the appointment as Housing and Home Finance Administrator by Dr. Weaver will cost him a \$1,500 in salary. His job as vice chairman of the Housing and Redevelopment Board of the City of New York pays \$22,500 while his new post in Washington will bring him \$21,000 a year.

Dr. Weaver is the first Negro in American history to head an Independent Agency in the Federal Government.

Continued from front page housing projects.

The Federal National Mortgage Association makes it possible for vast developments of private homes and apartments in cities and suburban areas.

Dr. Weaver is a native of Washington, D. C. He received the undergraduate, master's and Ph.D. degrees from Harvard University. He taught economics at A&T College, of Greensboro, N. C., from 1931 until 1932.

He is married to the former Miss Ella Haith, of Greensboro.

Dr. Weaver is chairman of the board of the NAACP, a position he said he would resign to accept the appointment.

Scalloped Potatoes—in the Leisure Class

WITH THE PACKAGED SLICED POTATOES now on the market and a can of condensed soup, a gal can put a casserole of delicious scalloped potatoes in the oven in a matter of minutes... without fuss or bother. No washing of potatoes, no peeling, no slicing and no eyeing are necessary with Minute Sliced Potatoes. Here is a perfect dish to put you in the leisure class.

- SCALLOPED POTATO CASSEROLE
2 cups packaged sliced potatoes
4 cups water
1 teaspoon salt
1 can (10 1/2 oz.) condensed cream of celery, cream of chicken, or cream of mushroom soup
1/2 cup milk
1 tablespoon grated onion
2 tablespoons grated Cheddar cheese (optional)

Add potatoes to water and salt in saucepan; mix. Cover and bring to a boil. Reduce heat and boil until tender, 15 to 20 minutes. Drain well.

Meanwhile, combine soup, milk, and onion in saucepan. Heat, stirring occasionally. Place about one-third of the cooked potatoes in a greased 1-quart casserole. Add half of the soup mixture. Add half of remaining potatoes and soup; then all of remaining potatoes and soup. Sprinkle with cheese. Bake in a moderate oven (375° F.) for 30 minutes. Makes about 6 servings.
