"We must utilize all the resources and selective buying and stop paying for segregation," he said. "We must develop in number of coalitions in an area of equal basis was advocated in cooperation in places where Negroes are involved in any way, where Negroes are excluded and where Negroes are discriminated against. We must not seek an equal place where we cannot win, but we must seek to make the world a better place for all Americans." The statement was made by Mr. Hawkins as he presented the sit-ins to the students at the school.

The sit-ins, which started last Monday night, "will present $9,000 to the goal of a campaign to the nation," said Mr. Hawkins.

The sit-ins, which started last Monday night, "will present $9,000 to the goal of a campaign to the nation," said Mr. Hawkins.

"This is a critical time in the history of our nation," he said. "We must stand up for what we believe in, and we must show the world that we are determined to have equal rights for all Americans."

Mr. Hawkins also urged students to support the sit-ins by boycotting certain businesses and by refusing to do business with those who discriminated against them.

Mr. Hawkins said that the sit-ins would continue until the issues were resolved.

"We will not give up until we have our rights," he said. "We will not stop until we have equal rights for all Americans."
