HEART OPERATION

Miss Ida Louise Turner was admitted to Duke Hospital on Monday, February 20, to have an operation which will require her heart to be stopped and a heart machine to be used in its place. While her mechanical heart is pumping blood to her body, the heart surgeons will sew up a hole which has been in her heart since birth. This is a small hole between the right and left auricles. Once the hole is sewed up the machine will be turned off and Ida will pump her own blood through her body better than she ever has before.

HOSTESS TO SOCIAL CLUB

Mrs. Marene Satterfield was hostess to the Cosmetologist Social Club on February 19 at 4 p.m. Mrs. Satterfield opened her beautiful home and made all members welcome. She served a delicious meal of fried chicken, green peas, parrot sticks, potato salad, cocoa, cakes and ice cream.
