

Six N. C. Links Chapters Will Attend Fla. Meet

TAMPA FLA. — The Southern Area Confab of Links, Inc. will meet March 16, 17, 18, 1962 in the Tampa Bay Area. Hostess chapter is the St. Petersburg chapter which celebrates its eleventh anniversary in May. The local chapter holds Life Membership in the NAACP being the third chapter in a chain of 89 chapters to purchase said membership. Links in the St. Petersburg-Tampa chapter are the first organized group in Florida to present girls on the College level who have not been presented before locally. Over two hundred girls have been presented at the Links Annual De-

butante Ball amidst glittering settings during the Christmas holidays for the last nine years. Families all over Florida and as far away as Pennsylvania have presented their girls here. The local Links have also given to the United College Fund: Retarded Children's Class; Children at the Southwest Tuberculosis Hospital; presented two nationally known speakers at the College Lyceum Series at the Gibbs Junior College. The Links are individually connected with all civic, cultural, fraternal, religious, and educational circles of their respective communities. Chapters from the following cities will be represented at this meeting: Atlanta, Georgia; Augusta, Georgia; Birmingham, Alabama; Charleston, South Carolina; Charlotte, North Carolina; Columbia, South Carolina; Daytona Beach, Florida; Durham, North Carolina; Fayetteville, North Carolina; Greensboro, North Carolina; Greenville, South Carolina; Jackson, Miss-

issippi; Miami, Florida; Montgomery Alabama; New Orleans, Louisiana; Orlando, Florida; Raleigh, North Carolina; Savannah, Georgia; Tallahassee, Florida; Talladega, Alabama; Denmark, South Carolina; St. Augustine, Florida; Palatka, Florida; Ormond Beach, Florida; Deland, Florida; Opa Locka, Florida;

Also those living in nearby cities who belong to the above chapters. These include the towns of Fairfax, Alabama; Talladega, Alabama; Denmark, South Carolina; St. Augustine, Florida; Palatka, Florida; Ormond Beach, Florida; Deland, Florida; Opa Locka, Florida; Wenees, South Carolina; Greenwood, South Carolina; Tougaloo, Mississippi; New Smyrna Beach, Florida; Valdosta, Ga. Bainbridge, Georgia; and High Point, North Carolina; Probably 20,000 American lives could be spared every year if seat belts in autos were a more fashionable accessory. In North Carolina every highway patrol car is equipped with seat belts. How about your own car?
