### AME Zion Ends Education Meet At Salisbury

SALISBURY — Fifteen Bishops, twelve General Officers, Fifteen hundred delegates and a comparable number of visitors closed the quadrennial session of the General Convention on Christian Education and General Assembly and National Council of the African Methodist Episcopal Zion Church, here on Friday, Aug. 10, on the theme of the meet, "The Church's Responsibility for Freedom."

The largest group of churchmen ever assembled for the delegation declared that the church had Full Responsibility for Freedom, and the proponents here with a new image of how this freedom might be obtained for all Americans and minorities in the world Bishop William Jacobs Walls senior prelate admonished the convention that eternal vigilance is the price of freedom and that the AME Zion Church would have to rededicate itself for the great task ahead of it and to establish that peace, in the world that Christ brought.

Bishop S. G. Spottswood, Chairman of the Board of the NAACP declared any semblance of segregation, discrimination, and injustice and pledged the unstinted support of the militant organization to any agency including the AMF Zion Church whose goal was freedom and whose destiny is democracy.

The Convention went into every facet of human endeavor beginning with the home, and the moral essence of home life. Freedom of the home with regard to service to the family, the community, the church and the nation keynoted that phase.

### Boycott Called In Toledo Against Beer Companies

TOLEDO, O. — Negro residents here have been urged by the Toledo branch of the NAACP to discontinue buying Schlitz Beer, Rolling Rock Beer, Falstaff Beer and Champagne Ale in a selective buying campaign directed at the Metropolitan Distributing Company. The company, which distributes the four products, presently employs no Negroes.

In a letter to NAACP members and friends, President J. Frank Troy and Rev. John M. Evans, chairman of the Selective Buying Committee, stressed the fact that attempts at negotiations with the company had failed and that the only alternative was direct action.

Although qualified Negroes have applied for positions with the Metropolitan Distributing Company, not one has been hired. Withholding of patronage will continue until some agreement is reached with the company concerning employment of qualified Negro personnel.

### S. C. NAACP Censures Stores

COLUMBIA, S. C. — In the wake of the violence which marked sit-in demonstrations at Kress and Woolworth stores in Spartanburg, S. C., by members of three NAACP youth councils, J. Arthur Brown, president of the South Carolina State Conference of NAACP branches, has voiced vigorous protest in identical telegrams to the presidents of the two chain stores.

In his message dispatched on July 31 Brown charged that the stores were persisting in "their inhumane and debased policy of denying lunch counter service to Negro customers. This fact is indicated by events at your Spartanburg store." He urged that the stores discontinue their policy of racial discrimination in all of South Carolina, noting that in other southern states lunch counters had been successfully desegregated.

tuted on July 23, was the first attempted by NAACP youths in that city in 1962. One Negro youth was knocked from a lunch counter stool at Woolworth's and beaten on the head by a white man. The assailant was arrested and charged with disorderly conduct but was then acquitted on a directed verdict. A similar assault, by an 81 year old white man, in the Kress store on Rev. Harold Joseph Cox also resulted in an arrest and a subsequent directed verdict of acquittal.

Commenting on the telegrams sent to George Cobb, president of S. H. Kress and R. C. Kirkwood, president of F. W. Woolworth, Brown stated that unless there was a positive response to the protest "the reaction would be in the form of a state-wide selective buying campaign directed at these two chain variety stores."

### STARTED ON CARNATION — STAYED ON CARNATION

the milk with extra Vitamin D for sound teeth and strong bones!

"Bobby grows out of his clothes so fast I can hardly keep him in jeans," says their mother. "But Francis is growing right into them."

Their father, Dr. Robert Higginbotham, is physician for the Midland, Pennsylvania High School. His private practice takes him many miles through neighboring country. Mrs. Higginbotham left her art-teaching career several years ago. But she is still an artist in the kitchen—with an eye to nutrition. "I get extra Vitamin D into this family by using Carnation as the milk in puddings and pies and coconuts—and on cereals!"

Carnation is the healthy family milk—with extra Vitamin D to help build sound teeth and bones. No wonder this milk in the red-and-white can is the world's favorite evaporated milk, by far.

"I get the creamiest cream pies—just by using Carnation," Mrs. Higginbotham declares. (See recipe below.) Even when you add an equal amount of water, Carnation is richer than sweet, whole milk—for smoother results in all your cooking!

recipe:  
**CARNATION'S EXTRA-CREAMY CHOCOLATE CREAM PIE** (Makes one 8-inch pie)  
1 package chocolate pudding-and-pie filling mix  
1 cup undiluted CARNATION EVAPORATED MILK  
1 cup water  
1 baked 8-inch pie shell

Combine the pudding and pie filling mix with Carnation Evaporated Milk and water in saucepan. Cook according to label directions on mix. Pour into 8-inch crust. Cool. Top with toasted coconut or sliced bananas.

Healthy country boys "growing up overnight." Bobby and Francis Higginbotham, aged 7 and 4, were both Carnation babies—and they're both Carnation boys! Mother is an artist, Daddy is a doctor.
