

## Coronation Set For 'Miss NCC'

MISS TUCKER

North Carolina College's homecoming season will begin Friday, Oct. 22, at 8 p.m. with the coronation of Miss Veronica Elizabeth Tucker as "Miss North Carolina College" in McDougald Gymnasium.

Dr. Samuel P. Massie, president of the college, will perform the crowning ceremony, which will be preceded by a formal procession of Miss NCC's attendants — the four class queens and coeds representing various fraternities.

Charles E. Daye, of Durham, president of the Student Government Association, will present a bouquet to Miss Tucker and speak on behalf of the SGA.

A senior English major and library science minor from Columbia, S. C., Miss Tucker is the daughter of Mrs. Lelia Jordan and James W. Jordan. A member of Delta Sigma Theta Sorority, she is also a member of the college choir, the NAACP, and the English Club.

At Columbia's Booker T. Washington High School, from which she graduated, she was among the top 10 students in her class and was cited for 12 years of perfect attendance in grade school. She was secretary of the National Honor Society and was presented a Delta Scholarship Award.

Members of Miss NCC's court will be Marlene White, "Miss Senior;" Queen McLean, "Miss Junior;" Yvonne Flowers, "Miss Sophomore;" and Vera Shaw, "Miss Freshman."

After the coronation, a reception will be held in the gymnasium and will be followed by a coronation ball. The day's activities will usher in NCC's four-day homecoming season.

## Federal Registrars Sent to Montgomery to List Voters

MONTGOMERY, Ala. — In response to the request of the Attorney General of the United States, the U. S. Civil Service Commission will open a Federal office in Montgomery County, Ala., to list eligible voters under the Voting Rights Act of 1965, beginning October 6, CSC Chairman John W. Macy, Jr., announced this week. The county embraces the city of Montgomery, the first metropolitan area designated for a Federal voter listing office.

The new office will be located in the Post Office and Courthouse Building at the corner of Church, Lee, and Moulton Streets, in the city of Montgomery. It will be open from 8:30 a.m. to 4:30 p.m., Mondays through Saturdays. It will be manned by at least six voter examiners, Macy said.

The new action brought to 20 the number of locations in which the Commission has established Federal voter listing offices since President Johnson signed the law on August 6. Under the Voting

Rights Act, the Commission is charged with the listing of eligible voters without regard to race or color in counties designated by the Attorney General in which tests or devices have been maintained and in which less than 50 percent of those eligible to vote were registered or had cast ballots in November 1964.

Through October 1, the 19 offices previously established had received 49,226 applications and listed 47,475 persons as eligible to vote. Of the total listed, 45,959 were nonwhite. The five that opened October 1—in Bertton, Bolivar, Clay, Coahoma, and Humphrey's Counties in Mississippi—listed 84 eligible voters on the first day of operation.

## NO WINDOW VENTS IN NEW RIVIERA

Buick's 1966 Riviera introduces an entirely new ventilation system, eliminating the familiar side window vents. Another feature is the new headlight design. When not in use the lamps are out of sight behind the grille. When turned on they drop down into driving position. Parking lamps and turn signals located in the fenders emphasize the width of the new grille. Power plant for this car is Buick's 425 cubic inch V-8 with a new quadrajet carburetor for better performance.
