A&P What every new bride should know!

Let's see!
 His shirts... starch or no starch?
 His eggs... sunnyside up or over lightly?
 His coffee... a bit on the strong side?
 His steak... medium-rare or rare-rare?
 His favorite pie... apple or cherry?

Knowing these things is important.
 Knowing this is important, too: A&P is a store you can trust.
 Brides have been doing it for over a century.
 As a matter of fact, nobody has ever had more brides walk down their aisle than A&P.

We think it's important for brides, new or old, to find a store they can trust, to know that everything they buy is totally guaranteed.

That's A&P Policy.
 No matter who makes it, if A&P sells it, A&P guarantees it.

Is this a good reason for shopping A&P? It's one of many.
