VACATION TIME
To keep the summer vacation time a happy time, we cannot stress enough the observance of safe driving rules. Before starting on your trip take the time to reflect that the automobile is like a two edge sword which must be treated with care and respect. We at the Scarborough and Hargett Funeral Home are suggesting that you do not drive when you are tired. Maybe you will see less on your trip, but you will return to tell your friends and neighbors about it. THINK ON THESE THINGS.
