

COLONIAL STORES SALES UP 9.5 PERCENT; NET PROFIT UP 23.5

ATLANTA, Ga. — Colonial Stores Incorporated, one of the nation's major retail food chains today reported sales for the first 24 weeks of 1966 were up 9.5 percent over the comparable period of last year, and net profit was up 23.5 percent.

In an interim report to shareholders, Carl J. Reith, Colonial President, said it was by far the best first half year in company history. The 24-week period ended on June 18.

Net profit, after provision for Federal income taxes, was \$32,368,417, equal to \$1.18 a share on common stock versus 96 cents in the first 24 weeks of 1965, based on 2,815,332 shares currently outstanding.

Sales were \$244,509,300 compared with \$223,378,924 in the first 24 weeks of last year.

The report stated that a

ard, Larry Hunt and Floyd Wicker along with Sam Moore, a prominent worker with the youngsters on building the racers, several representatives have gone to local civic and religious leaders to take the trip.

The group will leave Durham Thursday night, August 4, spend Friday in the city of Akron sight-seeing and watch the race Saturday. They will depart for Durham immediately after the race Saturday night.

Contributions and donations may be sent to Wicker at 2942 Driftwood Drive or he may be contacted by phone 489-2003.

Of the 20 boys who participated in the race Sunday no boy advanced beyond the quarterfinals in either of the group classifications. But if Durham can send these youngsters off to Akron to see the national race, they will all be winners.

Continued from front page gressional seats are of vital importance to all Mississippians," Guyot declared. "The fact that Negro Mississippians have been deprived of their voting rights through legal machinations of this State, and the fact that they still find it difficult to register to vote in many areas, means that any gains made in getting people on the books will be lost if they are not permitted to participate in the November elections."

Asked if federal registrars had helped the registration process in Mississippi, Guyot replied, "I read an independent report this morning that said where federal registrars are working, an increase of 43% registered Negroes is noted. And this is in opposition to an increase of only 15% where there are no federal registrars. I don't know how anyone can talk about voting procedures and the right to vote where there are no registered voters." Approximately 33% of voting age Negro Mississippians are registered to vote, according to Justice Department reports.
