

we care

it's impossible

What is?
Trying to describe the beautiful new packages for our A&P Frozen Baked Foods.
You'll just have to see them to appreciate our problem.

This we can tell you:
Delicious as they look, they taste even more delicious.

What are the products like? Well...

There's an Apple Strudel so tender and flaky,
the most accomplished German baker would be jealous.

There are Devil's Food Cakes you'll say only angels could bake... the taste is that heavenly.

There are All Butter Coffee Cakes and Pound Cake as delicious as their names sound.

We could go on and on. But why tease you any more?
Know what your biggest problem is going to be?

Which one to buy first.

Here's a suggestion.

Buy them all.
