Training Your Cat

Many persons have trained cats—and many more have been trained by them. But the experts at the Purina Pet Care Center have come up with some pointers to improve your chances of being trainer, rather than trainee.

Axiomatic is the fact that cats like to scratch. The instinct to sharpen their claws is in all cats and the proof often lies deeply embedded in the legs of furniture and upholstery of chairs.

Do not let your cat train you to accept cat claw damage as an unassailable fact of life. Instead, buy your cat a scratching post and make him use it. If cat rakes his talons on a drape or furniture fabric, seize the culprit, scold him and put him on the scratching post. If cat insists on playing with a cherished piece of bric-a-brac, stand up for your rights, but first buy the cat a toy. Catnip mice are traditional cat pleasures as are other catnip toys available at all pet shops. In many instances, however, improvised toys become cat's favorite plaything. Things cats love to

knock about and chase include ping pong balls, plastic clothespins, crumpled up balls of paper, empty spoons of thread.

Objects suspended from string tied to a doorknob also prove successful in diverting a cat from getting into your knitting bag or tip-toeing through your collection of antique stemware glasses.

The cat who insists on sleeping with you at night can also pose a problem, warns Purina's experts. Best solution is to get the cat its own bed. Then, after whispering a gentle goodnight to your feline, you can close the door to your bedroom and sleep undisturbed.

THE BIBLE CHURCH

Many people have truly come to know Christ as Savior after having been sincere, religious "church members" for years. Though faithful supporters of some earthly church organization they had never experienced the truth of II Cor. 5:7: "If any man be in Christ he is a new creation." It is possible to be a member in good standing of some church organization, yet be outside of the one true Church of which the Bible speaks.

This is because the true Bible Church is not an organization but a living organism, a spiritual body, with a living Head and living members. Again and again St. Paul, by divine inspiration, calls the Church the Body of Christ. He says: "We being many, are one Body in Christ..." (Rom. 12:5). "Ye are the Body of Christ, and members in particular" (I Cor. 12:27). "We are members of His body" (Eph. 5:30).

How do we become members of this true Bible Church, the Body

of Christ? First, we must acknowledge ourselves to be sinners in God's sight, for Ephesians 2 relates how Christ died for sinful men that He might "reconcile" them to God "in one Body" by the cross (Verse 16). Thus, when believing sinners are reconciled to God by faith in Christ, they are regenerated, given a new life, by the Spirit, and by the Spirit are baptized into the Church, the Body of Christ.

Titus 3:5: "Not by works of righteousness which we have done, but according to His mercy He saved us, by the washing of regeneration, and renewing of the Holy Spirit."

I Cor. 12:15: "For by one Spirit are we all baptized into one body." Every one of us should ask himself: "Have I been baptized by the Spirit into the Body of Christ?" If not, trust Christ as your Savior and become a member of the one true Bible Church. Then associate yourself with some local assembly where Christ is honored and the Bible taught.

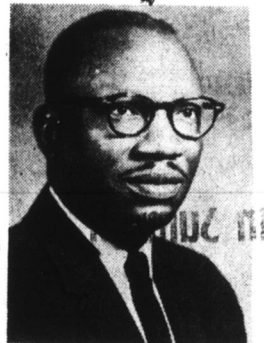

BABY CONTEST SPONSORED—Little Miss Pamela A. Bennett, daughter of Elder and Mrs. C. T. Bennett of 1300 W. Club Blvd. was sponsor of a Baby Contest at Bennett Memorial Holy Church on Fayetteville Road Sunday night, May 14 for the Building Fund.

She raised \$100.00. Babies participating were Joel Powell, First Prize; Chelce Villines, Jr., Second Prize. Also participating but not pictured were Shelia and Tonia Yvette Atkins. Little Miss Bennett is 8 years old and a student at Walltown school.

He that is slow to anger is better than the mighty; and he that ruleth his spirit than he that taketh a city.

THE STORY OF FATHER'S DAY

While more than 50,000,000 Dads in the U.S. will be honored by their families on Father's Day, June 18, 1967, with a wide variety of gifts ranging from a box of fine cigars to a bottle of aftershave lotion—many might be surprised to learn how far back the custom of paying special respects to fathers goes, and how our own custom of observing Father's Day began.

The first "father of his country" was not George Washington, surprisingly, but Julius Caesar. And Roman senators were called *patres* or "fathers."

The first Father's Day in the U.S. was celebrated in Spokane, Washington, in 1910; Mrs. John B. Dodd wished to honor her father, William B. Smart, a Civil War Veteran, for his love and sacrifices in raising six motherless children.

Mrs. Dodd saw the observance of Father's Day as a good way to call attention to

the father's place in the home... training the children... safeguarding the marriage tie... and the protection of womanhood and childhood.

She went to her minister, and through him to the Spokane Ministerial Association, and also wrote a letter to the Spokane Ministers Alliance which received her suggestion favorably. It was the Spokane YMCA which put the idea into active motion. A Father's Day button was pressed in the White House by President Wilson in 1916, and it was President Coolidge who recommended national observance of the day in 1924.

Today, U.S. fathers receive more than \$1 billion in gifts each Father's Day. Among the most popular are those items which contribute to Dad's pleasure and relaxation. Many Pops receive their favorite brand of fine cigars on Father's Day—an especially fitting gift, since it was Pop who gave out the cigars when Junior was born!
