## NAACP Seeks Halt Execution Of 61 San Quentin Prisoners

### Action to Save Men Filed in Federal Court

SAN FRANCISCO—A halt to the execution of 61 San Quentin prisoners sentenced to die for capital crimes was sought here this week in Federal District Court by the NAACP Legal Defense and Educational Fund, Inc. (LDF) and private attorneys.

The LDF action is most unusual since it not only represents three death row petitioners but also those prisoners under sentence of death at the California State Prison.

Attorney Leroy Clark represented the LDF. Only once before in American jurisprudence have such petitioners represented other death row prisoners, and that was when LDF attorneys won a similar suit April 13 in Federal Court, Jacksonville, Florida.

There, a federal judge ordered that pending executions of 51 men on Florida's death row be held up until there could be a full hearing on the matter.

Pointing to the urgency of the action, LDF attorneys said that four defendants are slated to be executed at San Quentin in July.

The LDF action lists three petitioners on the state's death row. They are Frederick Saterfield, whose execution is set for July 20; Joshua Hill, presently set to die in San Quentin on August 26; and Robert Page Anderson, whose execution date has not yet been set. See EXECUTION, 2A

## Announcement Of Plan Made By J. S. Stewart

Announcement of the formation of the North Carolina chapter of the National Negro Business and Professional Committee for the Legal Defense Fund was made here this week by John S. Stewart.

Stewart, president of the Mutual Savings and Loan Association here, is state chairman of the new group which has pledged \$50,000 for the underwriting of civil rights litigation.

The monies are to be raised within the next year by an array of leaders across the state, each of whom has pledged to contribute or raise \$1,000.

Dr. Hubert A. Eaton of Wilmington and Dr. Reginald Hawkins of Charlotte were named vice-chairmen of the North Carolina Committee. Both are well known across the state for their active work in civil rights.

The NAACP Legal Defense and Educational Fund, Inc. (LDF), which will receive the money, serves as the legal arm of the entire civil rights movement.

Its attorneys represent all the major civil rights groups plus individuals with bona fide civil rights claims.

Nationally, the LDF is now representing 13,000 persons arrested for participating in peaceful demonstrations, 420 groups of cases, and working with nearly three hundred attorneys across the nation.

Among other prominent North Carolina business and professional personalities joining Mr. Stewart at the recent organizational meeting were Asa T. Spaulding, president of North Carolina Mutual Life Insurance Company, national chairman, and Attorney Julius LeVonne Chambers of Charlotte.

Chambers handles more litigation in North Carolina for the LDF than any other lawyer.

This North Carolina chapter is participating in a national campaign headed by Spaulding and Dr. Percy Julian, a research chemist of Oak Park, Illinois.

Other charter members of the North Carolina chapter—each of whom has pledged \$1,000—include:

- J. H. Wheeler, Durham; Dr. George C. Simkins, Greensboro; Attorney Charles V. Bell, Charlotte; Dr. D. M. Clayton, III, Roxboro; Carl H. Russell, Sr., Winston-Salem; T. C. Jervay, Wilmington; Dr. C. Mason Quick, Fayetteville; Ernest A. Swann, Wilmington; Dr. J. S. Simmons, Sanford; Dr. John P. Holt, Asheville; Dr. P. P. Little, High Point and Dr. Geo. H. Evans, Greensboro.

## Dr. Dowdy Pleased At Action Of Legislature

### A&T President Joined By Board Chmn.

GREENSBORO — Dr. Lewis C. Dowdy, president of A&T College, was pleased last Thursday to learn that his institution had been accepted as one of the four state institutions in the General Assembly's regional universities' bill.

The amendment to the Henry Bill which would include A. & T. College had been defeated on the floor of the Senate. The House of Representatives passed the bill by a vote of 81-29. Then the Senate concurred in a House amendment to give A&T College regional university status.

Dr. Dowdy said "I am extremely delighted that the N. C. General Assembly saw fit to give due recognition to A. & T. College by including it along with the other three five-year colleges in the regional universities' bill."

"We strongly believe that A. & T. College is deserving of this recognition."

"While we are grateful to all our supporters in the state and in the General Assembly, we extend special thanks for the leadership and superb support provided by the Guilford and Randolph delegations."

"Furthermore, we shall attempt to strengthen our existing academic programs rather than seeking to establish new ones. However, an attempt will be made to continue to improve the academic status and research and service functions of the institutions."

"Very pleased" to hear of the General Assembly's action was Robert H. Frazier, chairman of the A&T College Trustee Board. He said he was glad to learn that the Legislature had seen fit to give A&T the status it deserved, with other institutions of similar levels.

## Dr. King Announces Meet To Organize Economic Drive

### MINISTERS TO HOLD SESSION OF IMPORTANCE

ATLANTA, Ga.—The Southern Christian Leadership Conference announced this week that it has called a national conference of outstanding Negro ministers to plan economic-development action for Negroes in the nation's largest cities.

Dr. Martin Luther King, Jr., SCLC president, said the agenda will include discussion of a nationwide campaign for Negro employment and job promotions at a large, undisclosed company which sells products throughout the United States.

The ministers, meeting July 10 to 12 in Chicago, will also confer on civil rights and related issues. SCLC officials and economic experts will hold workshops on organizing for economic development through "Operation Breadbasket," an SCLC department which has won thousands of new upgraded jobs for Negroes and made other economic breakthroughs in Negro communities throughout the South and Chicago.

Dr. King and Dr. Ralph D. Abernathy, SCLC vice president who is co-ordinator of the conference, have invited delegations of leading Negro clergymen in the 25 U.S. Cities with the highest Negro population. Individual ministers from some smaller cities will also attend the meetings at Chicago Theological Seminary.

In a letter of invitation to the conference, Dr. King and Dr. Abernathy said: "The priority item on the agenda is SCLC's Operation Breadbasket program. We feel very strongly that the new thrust in the civil rights movement is, to a great degree, economic development. Therefore, we must concern ourselves with programmatic planning which will secure jobs for the jobless of our nation. A look at the racial disorder in so many of our major cities at this time clearly points up the need for a conference of this nature."
