

we care

real tough customer

Because you can't fool him.

He likes peanut butter.

As a matter of fact, he's an expert on the subject.

But he's a tough hombre to convince.

He doesn't want to hear about Ann Page's "jet-roasting" process.

Don't tell him we remove the air in the mixture to improve flavor—or that, nutritious as it is, Ann Page Peanut Butter costs less.

He doesn't care about details.

We care and you may care. But he doesn't.

He just wants it to taste good.

Luckily for us, Ann Page Peanut Butter tastes so good.

A&P Customers prefer Ann Page by more than 3 to 1 over any famous brand sold in our stores.

To satisfy your "tough customers," shouldn't A&P be your store?
