

**SETS NEW RECORD**—(Los Angeles) — Madeline Manning, USA (R) beats out Australia's Judy Pollock to set a new American record in the 800 meter run for women with a mark of 2:01.6. Miss Pollock set the present World record of 2:01.0 at Helsinki last June 28th. The old American record was held by Charlette Cooke of Los Angeles who set a July 1966 mark of 2:03.8.

**FIRE PREVENTION**  
Fire prevention authorities declare that it is a matter of record that at least 40 percent of all fires in the U.S. could be prevented.

**False Alarm**  
BRAWLEY, Calif. (UPI)—Police rushed to a super market in response to a burglar alarm attached to a pay telephone coin box only to discover the alarm was bugged.

The years teach much which the days never know.  
—Ralph Waldo Emerson

Squids range from dime-size to the giant squid, which may grow 60 feet long and weigh two tons, says National Geographic.

The first practical use of gas in modern times was in 1792 by Englishman William Murdoch who lighted his cottage with manufactured gas, says the Gas

**To Frank Robinson pressure is just something he checks in his tires.**

Ask Triple-Crown winner Frank Robinson about pressures and he asks you, "What's that?"—a surprising answer from a player who almost has had to carry the sagging World Champion Orioles by himself.

Read this in-depth, 8-page close-up of Frank Robinson and his incredible drive in August Sport. Then turn to a revealing article on another MVP winner, Roberto Clemente, and learn how pressures have dramatically changed his personal and professional life. August Sport also gives you "The Inside Story of Spying in Pro Football." Plus 21 other incisive articles on the college and professional sports scene. Pick up August Sport; on sale today!
