# What can we tell you about our new bakery?

We could tell you lots of impressive things about floor area, production capacity, ultra modern equipment and so on.

BUT...

that's really not what you want to know... is it?

You should know that

this new Jane Parker Bakery will bring to you a greater variety of fresher Jane Parker products than you ever dreamed possible.

Probably greater than anything you've ever seen... in any store.

Luscious Pies, Iced Cakes, Coffee Cakes, Donuts, Rolls and Breads of all kinds.

Be delighted that this is the most modern plant of its kind in the South.

But more than that, be curious

about the great expanded line of Jane Parker products.

Come see it at your neighborhood A&P.

Feel like a kid in a candy store again.
