

**We care**

**Who cares if the blueberries in our blueberry pie are wild!**

Some people may not care...but we care. Your grandmother's classic blueberry pies were baked with juicy, wild berries, not with today's pulpier, cultivated ones.

So, we're stubborn.

Only wild berries get into our Jane Parker Blueberry Pies.

In fact, we care so much about such things, we've made just one big change in the classic recipe: We bake only wild berries that are U.S. Grade A!

We've been in the baking business for 50 years. And that's the way we are about all our baking.

To celebrate our golden anniversary as bakers, this week, we're featuring Jane Parker Blueberry Pie at a price that's as wild as the berries...49¢.

If you want proof that caring this much counts, try a Jane Parker Blueberry Pie this week.
