Local Boy's Club Joins National Celebration

The John Avery Boys' Club celebrated National Boys' Club Week with a full program of events starting Sunday it was announced today by Lee W. Smith, Jr., executive director of the Club.

According to Smith, National Boys' Club Week, March 31 - April 6, was observed by more than 760 Boys' Clubs of America now serving more than 750,000 youngsters across the nation.

"We hear and read too much today about juvenile lawlessness," he said. "Boys' Club Week is celebrated annually to pay tribute to the youngsters you don't hear so much about. All those Boys' Club youngsters who practice Juvenile Decency everyday, who through their actions exemplify good citizenship and good sense."

The Club director said activities planned by the Club during the week include: Sunday, March 31, Church and Home Day; Monday, April 1, Physical Fitness Day; Tuesday, April 2, Boy Development Program (public meeting); Wednesday, April 3, Games Room Tournaments; Thursday, April 4, Movie, "Voyage to the Bottom of the Sea"; Friday, April 5, Open House; and Saturday, April 6, Community Service Day.

At present, the John Avery Boys' Club is operating in temporary headquarters at 2515 Fayetteville Street and 509 Hope Street (The Old Goodwill Club.)

Personally Yours

answers questions about Junior Miss etiquette, grooming and interests.

Q. Valentine's Day is almost here and I'm sure that Jim will give me a gift this year — we've been friends for some time. Would it be all right to reciprocate? If so, have any ideas?

A. An inexpensive token gift is always appropriate — especially one you've made yourself. Nothing wildly romantic will do — but a thoughtful and clever gift rates an A-plus with any Valentine. Try this for fun: a mad mod box as a cache for cuff-links or as an overnight store for the things he carries in his pockets. Simply decorate the outside of a cigar box with your favorite pattern of Marvalon vinyl-coated adhesive-backed paper. Then line the inside with Valentine-red felt. Or use Marvalon to decorate the outside of a can — and presto, a pencil holder for his desk.

Q. My father is an army officer and we're constantly on the move. I'm beginning to dread the thought of another school to adjust to — and a new group of friends to get to know. Have any suggestions that might move me to Easy Street in a new town?

A. There are some simple guidelines that can pave the road to Easy Street. One of the

best ways to learn about your new friends is to join some of the extra-curricular activities the school offers. Maybe you like volleyball — you're likely to find other enthusiasts in the after-school volleyball club. Or maybe you're the sort of girl who likes to arrange parties. In that case, join the prom committee. Get to know your classmates. People always feel important when someone comes to them for advice and it's a great way to introduce yourself. Get the idea?

Q. My clothes look so dull and drab. Everything that's in style now is bright colored. How can I bring my wardrobe up to date without spending a lot of money?

A. Mix things up a bit! Color combinations create the latest fashion look. So, to bring last year's clothes up to date, separate your matching outfits and wear tops from one outfit with skirts or slacks from another. Instead of a green skirt with a green sweater, try it with a red, blue or gold one. Instead of a polka-dot blouse with a solid color skirt, combine it with a striped or plaid skirt. You'll find your clothes aren't so dull, after all!

Offers \$10,000 Reward For King's Slayer

The National Alliance of Postal and Federal Employees has announced that it is offering an award of ten thousand dollars (\$10,000) for information leading to the arrest and conviction of the person or persons responsible for the brutal cowardly murder of Dr. Martin Luther King.

In announcing the offer of the reward, Ashby G. Smith, President of this fifty-five year old union of Federal Employees, pointed out that it was a labor problem that took Dr. King to Memphis and to his death. Here too he was championing the cause of the oppressed as he worked to achieve a measure of dignity and economic security to the underpaid employees of the city's sanitation employees.
