# Nothing But Work Predicted For 1968 A&T Football Team

GREENSBORO, - There | Blue Aaron Patterson, and Ricmay be a question about how the 1968 A&T football team will fare during the coming season, but there is no question about how hard the Aggies are going to work preparing for the games.

"I can't make any predictions about what we will do," said new coach Hornsby Howell, "but I can tell you that we are going to work hard."

Shortly after 65 candidates reported for duty last Thursday, (August 29), Howell announced three-a-day practice sessions, beginning with an eye opener at 5:30 a.m. The idea is not only to beat the heat, but to get the jump on the rugged nine-game schedule the Aggies face this fall.

Howell said he hopes to begin his rough work the middle of next week after NCAA's required period in shoes and shorts is over.

A&R will open its season by entertaining strong S. C. by Steven Miller of New York, State in a night game here September 28. The two teams have not met since 1960, but the Bulldogs had one of their finest teams last season when they compiled a 7-1-0 record.

Following the game against S. C. State, the Aggies must take on CIAA foes Johnson C. Smith, Norfolk State, Maryland State, Winston-Salem, Morgan, Virginia State, and N. C. College and national smallcollege power Florida A&M.

Hornsby maintains the cautious outlook he has had since he became the Aggies' head Coach last March. "We are in dire need of some good, big interior linemen." he said. "We have some good backs. If we can find four or five linemen who are ready to play, we can hold our own.

Heading the 26 lettermen in the Aggie camp are All-CIAA halfback Willie Pearson, defensive halfback Merl Code, quarterback Jerome Turner, ends Billy Gaines and Don Thomas, and running backs Tommy from Hank Harris.

# NCC Mentor Says "Ifs" Key to Team's Chances for Good Year

ootball coach George Quiett is not trying to rewrite Rudyard Kipling's poem, "If", but the first-year field boss does cite "ifs" as being the key to Eagles' chances for the 1968

An assistant coach at the Durham school for five years before taking over this year for James Stevens, now acting athletic director. Quiett summed up his prosepcts for the 1968 season with a lot of "if" clauses.

"If the boys are able to master a new offense, if they can shake off a defeatish attitude, if they can adjust to new concepts of coaching, if the squad stays free of injuries, and if the ball bounces our way and we get the breaks, we may have a pretty fair season."

Quiett, who took over the reign as head coach May 7 after spring practice), greeted 52 candidates for pre-season drills August 30. During the first three days of practice, the Eagles worked out in shorts and practiced three times a Wednesday, they put on heavy equipment and began two-a-day drills. Among the 52 hopefuls re-

porting, 23 are bona fide lettermen and an additional 14 freshmen. The lone loss from the 1967 squad is linebacker William Stanton

terback Herman Mathews and split end Julian Martin. Last fall as sophomores, the M and M duo was one of the most fearsome ones in the CIAA Conference. Mathews completed 78 of 159 passes for 1,169 yards and five touchdowns. Martin, named to the all-confernce first team, was on the receiving end of 30 receptions for 737 yards and four TDs.

The return of halfback Ollis Carson is certain to help the Eagles' running game Along running backs Gilbert Smith, Roger Foust, Thurman Jones, Roy Anderson and Willie Taylor, NCC hopes to improve its running attack.

All-CIAA tackle Douglas Wilkerson heads the list of veteran linemen returning. Harold Beatty, William Royster, Lonnie Paige, Thomas Cameron and James Smith are other top linemen back. Defensive backs Frank Bullock, Ronald Upperman. Mike Johnson and George Smith should give the Eagle forces an experienced secondary.

Among the top freshmen re porting are Michael Galbreath, Jarvis Martin, Frank Simmons, Otis Alston, Daniel Hyman and Eugene Thompson. Quiett has been real imprsessed with the play of halfbacks Alston and Hyman during punt return drills and the line play of Included in the list of return- guards Martin and Thompson.

# Three Aggie Grid Lettermen **Lost to Team for Coming Season**

GREENSBORO-New A&T football coach Hornsby Howell figures that something good has to happen in the Aggie football training camp soon.

So far, that has not been the case. First Howell lost veteran tackle Warren Frye for the season through an injury. The past week he learned that three other lettermen will be scholastically ineligible this season.

They are Lorenzo Pearson. a halfback; and Rey Parks, a 240-pound tackle. All three players had been expected to bolster A&T's offense.

"We have got something to talk about, "said Howell, "and that is that our morale is high. We know that we have a lot of work to do but this is a good group to work with."

Having just gotten into contact work, Howell has been experimenting with four different quarterbacks. Taking their turns at signal calling are sophomore Jerome Turner, the only returnee from last year; Stanley Jacobs, a transand Chuck Middleton, Hopkins, S. C. and Hank Walker, South Hill, Va.

Turner, a native of Pittsburgh, saw limited duty as quarterback last season and Jacobs played college ball in South Carolina before serving in the U.S. Army.

Many of the early drills have been spent stressing defense. Howell has been working with a defensive unit consisting of ends Billy Gaines and Don Thomas, interior linemen Lester Moore, William Smart, James Willie, and Henry Hipps, and a back field of vet
