HILLSBOROUGH HAPPENINGS SCHOOL AND COMMUNITY AFFAIRS

By SHERRY SHANKLIN

Things have been a little chilly around Hillsborough this week, but the still-vacating students at Orange managed to make it out for their first full week of school. It was quite hectic trying to stay awake for a full school day without that "noon nap."

The Panthers were wide awake Friday night but were downed 27-7 by the Jordan Falcons. The Falcons made two touchdowns in the first quarter as the determined Panthers fought on until the final minute of play.

Hillsborough's Teen-age's Club was damaged by fire Tuesday, September 10. The cause of the fire was undetermined. The preceding Friday the club had been announced as being segregated because of a lack of profit. If the club is reopened will business increase?

The Orange Speedway was the center of attention Sunday, September 15. Top drivers were on hand to race the "Hillsborough 150" NASCAR Grand National Stock car race. Richard Pelly of Randleman drove his 1968 Plymouth Roadrunner to victory here Sunday afternoon before an estimated 7,500 race fans and won his 13th victory of the season on the NASCAR circuit.

Youth Day was held last Sunday at Mount Bright Baptist Church. The morning service was conducted completely by the Youth with the exception

of the sermon from our pastor Rev. Richardson. Bernard Shanklin presided while Carolyn Blue welcomed the congregation.

John Riley, chairman of Youth Day, presided over the evening program. Music was provided by the First Baptist Youth Choir from Roxboro. Aldra Greene introduced the speaker for the evening, Mrs. Marie Torain, Executive Director of Harriett Tubman Branch, YWCA, Durham. She was questioned by the "Reaction Panel" composed of Lennie Corbett, Michael Edwards, Aldra Greene, Horace Johnson, Nancy Lewis, Brenda Price, Betty Nelson and Sharon Whitted.

The financial report proved that the Youth are really "on the ball" because they raised \$610.00. This only goes to show that the Youth are doing more than rioting, rebelling and looting. With the proper guidance and examples "we will go forward."

If you are the first to submit a question which Dr. Quizmee, our information specialist, answers in his column, we will present to you, free, the complete, illustrated, 25-volume set of Funk & Wagnall's Standard Reference Encyclopedia.

Mail your question to Dr. Quizmee in care of this newspaper.

This week's winners of encyclopedias are: Mrs. Saw Knapp who asked: "How old was Methuselah?"

In the book of Genesis, 11:27, we read: "And all the days of Methuselah were nine hundred sixty and nine years; and he died."

Mrs. Henry Kramer for asking: "In some states, national convention delegates are elected in primaries. How do the other states choose their delegates?"

State laws, party rules, unwritten customs and traditional practices determine the selection of delegates to conventions of both major parties. Primaries are held in about one third of the states. In most states, delegates are selected through party machinery, either conventions or state committees.
