# It's America's most popular! Why?

We think it's excellence of product. Years and years ago, when we decided to bake Jane Parker Fruit Cake, we also decided to bake the best. That's why Jane Parker Fruit Cake was then and is today over 2/3 fruits and nuts.

Just enough cake to hold together the bounty of imported and domestic cherries, pineapple from the Far East, citron from the Caribbean, sun-drenched raisins from California and meaty pecans from the South.

We think, too, that value has made it popular: IMAGINE, THE 5-LB. CAKE COSTS ONLY \$4.59. That's dollars less than you might expect to pay for such a fine fruit cake.

Now you know why Jane Parker Fruit Cake is America's most popular. One other thing you should know: You can buy it only at A&P.

P.S. Wouldn't it make a great gift for someone?
