**This used car is guaranteed 100%.**

**We won't sell you somebody else's headache.**

We won't sell you our headaches, either. All the cars people trade in on new VWs get our 16-point inspection. If they pass, we guarantee the free repair or replacement of every major working part\* for 30 days or 1000 miles. Whichever comes first. (Sometimes they don't pass. In which case we fix what needs fixing before we guarantee them.) So if you get a headache, it'll hurt you more than it'll hurt you.
