

NEW PREMIUM TIRE—Johnnie Shelton pinpoints the rigid belt that runs underneath the tread of the new radial-belted passenger car tire announced this week by B. F. Goodrich.

Miss Shelton is employed by The B. F. Goodrich Company in Akron, Ohio. The inextensible belt, consisting of four plies of rayon cord, stabilizes the tire's tread to give more

tread mileage and resistance to punctures and bruises. The new "Lifesaver Radial" tire is covered by a 40,000-mile guarantee against tread wearout, production defects and failures due to road hazards.

Flip Wilson, Comedian, Has Fun With Words On Show

Flip Wilson flips over words. "A grammar school teacher once told me that the ability to express yourself properly is an art," said the comedian. "I had been using big words but I was using them incorrectly. She said to be sure that I knew the word I was using and always to say things in my own way. Her advice stayed with me."

Flip currently is polishing the art of humor and storytelling for his upcoming guest appearance with Bing Crosby, Dean Martin and Bernadette Peters on the "Bing Crosby - Cooling It" special to be colorcast on the NBC Television Network Monday, April 13 (10-11 p.m. NYT).

Flip made his national TV debut in 1965 on "The Tonight Show Starring Johnny Carson." He returned frequently and subsequently became popular with appearances on "Rowan and Martin's Laugh-In."

He headlined his own comedy special, "The Flip Wilson Show," on NBC-TV last September and, starting next September, he'll host his own weekly variety hour on the same network.

"Words are my thing," said Flip. "I have to be as effective with words as a singer. I have to get the same emotional impact as a big band. This can be done by using the right word, the right facial expres-

Talk Slated By Mozingo

Roger Mozingo of Washington, assistant to Tobacco Associates president John D. Palmer, will discuss the outlook for U. S. tobacco exports in a talk to the Raleigh Farm Hands Club at the Hillsborough Street YMCA on Thursday at 1 p.m. Mozingo is a native of Greene County, a graduate of N. C. State University, and a former tobacco marketing specialist with the N. C. Department of Agriculture. He recently accompanied Palmer on a six-week trip around the world studying the tobacco export situation.

Virginia Teachers To Receive \$6,500 In '71'

RICHMOND, Va. — The Virginia Education Association estimates that next year nearly 75 per cent of the state's teachers will be in localities paying a minimum salary of \$8500 or more and nearly 80 per cent will be in localities where the maximum salary is \$10,000 or greater.

Currently 47 per cent of Virginia teachers are in localities with at least a \$6500 minimum and 29 per cent are in localities with at least a \$10,000 maximum.

The estimated projections for next year are based on anticipated increases and school

board proposals in addition to current salary schedules.

To date the VEA has been notified of established salary scales in only two localities. However, 23 school boards have made firm proposals to their governing bodies.

Mathews County has established a bachelor's degree salary scale for next year ranging from a minimum of \$6500 to \$8350.

In Falls Church, the 1970 minimum will be \$7250 and the bachelor's degree maximum will be \$9788. However, Falls Church encourages teachers to earn their master's degrees by

providing a \$14,500 maximum salary for those who do.

School board proposals in the 23 localities range from minimum starting salaries of \$6400 to \$7250 to maximum salaries of \$8400 to \$12,688 for holders of the bachelor's degree.

These school board proposals represent minimum salary increases ranging from \$200 in already relatively high paying localities to \$700. Maximum salary increases at the top of the scale range from \$306 to \$1400 in the proposals for next year.

Links Chapter Entertain Youngsters

Durham Chapter of Links, Inc. sponsored an Easter Egg Hunt for Fisher Memorial Head Start children at Duke Park on Friday, March 27. Thirty-six youngsters, Director, Mrs. Gill; teacher, Mrs. Jones; Dietitian, Mrs. Dawson and teacher's assistants, participated in the colorful Easter Egg Hunt, games, and a delicious picnic lunch of fried chicken, potato salad, milk and cup cakes.

The activity was planned and executed by members of Services To Youth Committee and Heir-O-Links: Jessie Pearson, Chairman; Julia Dawson, Barbara Cooke, Lottie Whiting, India Cooke, Robert Melonie, Janas and Diane Dawson.

As a class activity, the children made attractive baskets from milk cartons. Members of Links filled each basket with colored candy eggs and multi-colored grass. The children, staff and members enjoyed a morning of fun and happiness.
