Social Clubs Receive Extension in File Of '70 Income Tax

GREENSBORO - Social clubs have been granted an extension of time until May 15 to file returns on their unrelated business income, District Director, J. E. Wall, announced today.

This year, for the first time, tax-exempt social clubs must report and pay tax on certain income, including income from investments and from dealings with nonmembers.

The ordinary due date for this report is March 15 for social clubs operating on a calendar year basis. However, the IRS recognizes the problems of social clubs in determining the proper information to be filed, especially since regulations on the subject have not yet been issued. For that reason, the time for filing has been extended to May 15 for both calendar year basis clubs and clubs whose fiscal year ends in January.

Today's Scene At Hillside

By MICHELLE DEJARMON

Although Spring has "sprung," the Hornets, along with DHS, NHS, SHS, JHS, and the rest of the Durham City and County Schools had a vacation on Friday, March 26, 1971 because of snow. Many are sorry that the snow came but they said that "they needed the extra day of rest." Who knows, that day of rest is probably what everyone needed.

Our best wishes go out to the Madrigal Singers and the Merlettes who will be performing at the W. G. Pearson Elementary School on Wednesday, March 31, 1971.

Best wishes also go to the Concert band who will perform in the State Festival on Friday, April 2, 1971.

Clean up week or Scour Power, has taken effect at HHS. Thursday was the day everyone was supposed to have cleaned out their lockers.

Many who share their lockers, although they aren't suppose to, found that to keep their lockers clean, they had to evict people. Davis and the people on the clean up committee should be commended on the wonderful job they have done to inspire all the students and teachers that co-operated with their efforts.

Last week I mentioned Eddie Romes as one of the great track stars at HHS. This week I would like to mention another one of the stars. His

MISS DEJARMON

name is Mike Romes, brother of Eddie Romes. While speaking of sports, the track team of HHS defeated the track team of DHS last week. Willie Alston, one of the HHS Discus throwers helped HHS to win the discus throwing contest. Congratulations to him.

This about raps up the important news in the Hornets' Nest, but Baby Ray wants to make it known that he has never had any nice feelings towards Big Bird. He says that he never liked her at all. At the same time Big Bird says that she has never liked Baby Ray either even though he likes her. (smiles) One may take this to his own liking.

Hello to Winnie R. Harvin, Almetta Vance, Gwen Debnam and all other Debs. Good luck to all the young ladies in the Jabberwock.

To all the new student teachers good luck!!!! I never want to say good by, but I must so, Bye!!!!

Highlights At Durham HI

By MONIKA GUNN

Gunnie's here reporting to you the latest happening's from Durham High. Tuesday we were fortunate to have with us Brigadier General Daniel James. He did some pretty strong rapping, which the students really dug.

Certificates and plaques were presented to teachers and students of the vocational department Wednesday. Daniel Jones representing Electronics I and II presented to our head maintenance engineer Mr. Coleman, a television set for his diligent services. When Mr. Coleman entered the auditorium he was given a standing ovation.

Friday morning one might say we students were blessed with the coming of snow. Many kids were relieved with the idea of having an extra day on the week-end. It also gave hhn a change in testing their

skills in making snowmen, snow-women and throwing snowballs. Friday was also a day of serious business. March 26 was the seventh anniversary of the fighting in Viet Nam. Things are really bad when we have been over there so long that they start making an anniversary out of the war.

The Wind Ensembles are now making preparation to go to the State Contest. They will be playing "Flag Stars," "Commando March," and "Tchalkousky's Finale."

Good luck to them from everyone at Durham High.

Please support the Junior's Candy Sale!! Sho' would 'preciate it! From Gunnies Dusty Files: The DHS chapter of the "Lonely Hearts Club" is getting underway. All interested "Hard Up" people call 688-3859. No collect calls.

Flip Wilson, Comic Tells of His Successful Rise to TV Stardom

NEW YORK - TV comic Flip Wilson, one of the few black performers to attain big-time network stardom, has made it to the top, seemingly with an unscathed psyche. Wilson's rise to TV fame followed a series of grueling one-night stands in black circuit nightclubs but he prefers to recall only the good side of the past.

Flip Wilson freely admits that he owes much of his success to his manager, Monte Kay. A former husband of actress Diahann Carroll, Kay once booked the amiable Wilson as a guest on Johnny Carson's Tonight Show and in that one master stroke, launched Flip's career.

In a profile in the April issue of Good Housekeeping magazine, Flip Wilson recalls his TV debut. The joke that broke up Johnny Carson, Flip relates, was a gently spoof of both black and white prejudices: A black lady goes to the wig counter of a department store, tries on a new hairpiece, turns to the sales girl and says: 'You sure it don't make me look too Polish?'

After that, Carson invited Flip Wilson back repeatedly. This led to The Flip Wilson Special on NBC in 1969, fol-

Smoking Law To Be Repealed

LANSING, Mich. State Rep. Bert C. Brennan said he will introduce a bill to repeal a 1915 law prohibiting cigarette smoking by persons under 21 and an 1889 law forbidding the use of tobacco by persons under 17. Brennan said he didn't want to encourage smoking by anyone but the 1915 law "seems ridiculous in light of present conditions and enforcement practices."

People are just people to me - all over the world. The whites who helped me are all mixed up with the black faces I met along the way. They made me proud by being proud of me."

Your professional hairdresser knows the answer...

How do you keep a 'Fro free from problems?

An "afro" or "natural" looks best when every strand of hair stands independently full and attractively healthy. But, kinky or frizzy hair mats and tangles easily and can break off in everyday combing. Because professional hairdressers realize this most of them use Clairol condition*—The Beauty Prescription for Troubled Hair*... as well as Clairol Hair-So-New*, the no rinse cream rinse for general softening.

They know condition* leaves dry hair shiny and plump. What's more, it silken and helps mend split ends. Hair is left stronger to withstand even chemical straighteners and the picking method of combing an "afro." A condition* treatment only takes a few minutes. And you can feel the difference in your hair right away.

For easy combing most professional hairdressers soften the hair first with a product like Hair-So-New. It temporarily relaxes hair so tangles and snarls quickly go away and scalp feels soothed. Combing is easy... and fewer ends are broken.

When you wear your hair in a "natural," you'll want it to look beautiful. The more beautiful it is, the better it expresses your black identity. That can be a proud distinction. But, whether you wear your hair "naturally" or straightened, see your professional hairdresser about giving you a treatment with Clairol condition* and Clairol Hair-So-New. You'll be so glad you did.
