

SUNDAY'S CHILD ON PALACE
 "The singing and dancing of Sunday's Child highlighted 'Ice Palace,' the Metromedia variety show which was aired Sunday, June 6. This appearance marked yet another milestone in the sky-rocketing careers of Irene and Mary Lou Anderson, and their cousin Renee Woods. The three talented young ladies are "veteran" performers, although still in their teens. They began learning their way around television studios barely six months after making their first professional appearance. Since then, Manager Larry Raphael has carefully groomed and guided Sunday's Child through a succession of dazzling TV guest performances. Some of the shows on which Sunday's Child has appeared include: the "Glen Campbell Goodtime Hour", two Flip Wilson Shows, Dick Clark's "American Bandstand," and the Mike Douglas, Johnny Carson, Dick Cavett and David Frost Shows.

Grooving With Chuckie Harris

Hi soul brothers and soul sisters, and of course, to anyone else who care enough to want the very best. I guess you know, about this time of year I feel so unnecessary, like sitting around at the dark end of the street, with a tall glass of lemonade, hiding from this 90 degree weather. I feel like doing my show direct from Miami Beach, Atlantic Beach, Virginia Beach, or any beach where the cool breeze is blowing all day. By the way, how many of you are going to the beaches this summer, or how many of you have already been? You can put your hands down now, I just counted half of Durham, Creedmoor, Effland, Apex, Chapel Hill, Hillsborough, and I saw quite a few hands from Raleigh. I guess you know, North Carolina has great entertainment for each and everyone of you. For those of you who care very little about the beach, we have the mountain area which have great entertainment and fun for the little ones, too. Yes, North Carolina has beautiful mountains and I am sure there is much to enjoy on these summer trips. I would like to say to all the graduating seniors from the various high schools that, you are now entering into an adult world. You are really taking that giant step into a world of no longer make believe. It is not a fantasy world and it can be hard and cruel. There is success for the ones who strive and climb the ladder of success, and you will get your reward after the many trials of walking the narrow path of today's world. Do not give up because much is to be gained and you can make it if you try. Walk tall, and let success be your goal. I'm sure everyone has been waiting for a rundown on WSRC's Top Ten Survey. This is a glimpse of this week's survey:
 1. Gladys Knight "I Don't Want To Do Wrong"
 2. Ebony's "You're the Reason Why"
 3. Freda Payne "Bring the Boys Home"
 4. Wilson Pickett "Don't Knock My Love"
 5. Black and Blue "Of All Hearts To Break"
 6. Brenda and Tabs "Right On the Tip of my Tongue"
 7. Gloria Taylor "Girl That Cries"
 8. Stylistics "Stop, Look, Listen"
 9. Aretha Franklin "Bridge Over Troubled Waters"
 10. Otis Clay "Is It Over"
 Our pick of the week is "Should Have Been Satisfied" by Five Miles High. I am going to take time here and enlighten my listeners and Physiologists at Harvard Medical School. He was a Public Health Research Fellow 1964-1966. Beginning February, 1966, and continuing until June 1970 Dr. Schooler was Assis-

... readers about the group that is in our number one spot today; none other than Gladys Knight and the Pips. They are truly very talented and they continue to turn out hit after hit. I'm sure you remember, "It Should Have Been Me," "I Heard It Through the Grapevine," and many, many others and now "I Don't Want to Do Wrong." Gladys and her brother, along with her two cousins, complete this unique and fabulous group which has nothing but that free, unadulterated soul (personal) power we call it at WSRC. They are one of the hottest groups in show business today, and it takes True Grit, to keep a group together, along with dedication and a complete willingness to work hard. This is the formula for success and it has put Gladys Knight and the Pips on the national ratings and making number one on WSRC's Super Soul Survey this week. I guess you know they have walked Chuckie Harris' Magic Stage many times and this time they didn't stop until they reached the top. I'm sure they are striving and will continue to strive harder to turn out more soulful sounds around all the swinging towns. They are going to walk tall, stay loose, and continue to hang on out there, with the very best because they don't want to do wrong. They just got to "keep on pushing" because they have "stopped, looked, and listened" and they were asked, "Is It Over," but I guess you know, "It was right on the tip of their tongues" and they said "I Don't Want to do' Wrong." So right on brother man!!! Since school is out I guess there will be no more Mad Mondays, Thumping Tuesdays, Whirling Wednesdays, that's the half way mark you know, Tantalizing Thursdays, and Flashing Fridays. You can all relax a little longer and listen to the grooving music to stir your coffee by, or just lounge by because I plan to keep things hot and rolling, something to satisfy your days in the early mornings before it get too hot, or refresh you in the afternoons when there is more relaxation of not having to go to school. Well, my mickey mouse says it's time to stray so until next time, if you're not with the one you love, love the one you are near.

39th Annual Awards Day at Lyon Park School

The Thirty-ninth Annual Awards Day program was held in the Lyon Park School auditorium, Thursday, June 3, at 9:30 a.m. The guest speaker, Dr. Rose B. Browne, Former Chairman of the Department of Education, North Carolina Central University and Director of Happy Hours Day Care Center, Mt. Vernon Baptist Church, was introduced by L. M. Goode, principal. In keeping with the theme, "The future belongs to those who prepare for it," Dr. Rose B. Browne, mentioned in her opening remarks, "Let's take a look at God's flower garden." She emphasized that Awards Day is set aside to honor the achievement of persons in various areas. "Some of you are here to get awards and some are here to honor persons receiving awards." Dr. Browne encouraged the students to find some area in which they could be good. "You can be outstanding for having good manners, doing good deeds; etc. No one but yourself can keep you from achieving." Students were reminded in Dr. Browne's closing remarks that schools are becoming more aware of other skills and abilities. She emphasized the importance of students preparing each day for the future. Mrs. Shine's 6-2 class and Mrs. Sides' 6-1 class gave the Prayer and Scripture, respectively. The sixth grade pupils, under the direction of Mrs. S. O. Barden, sang, "Over the Rainbow," "Pledge of Allegiance," and "What the World Needs Now is Love." Reading of awards and Citations were given by Willie Lee and Marva Woodward, honor pupils. Awards were presented by L. M. Goode, principal. Willie Lee was recipient of the Winslow Award for the highest scholastic honors. Marva Woodward and Velda Whitted received a certificate for having won second and third places, respectively. Nicola Greene was recipient of the Stephens Award for highest average in mathematics in the fifth grade. Jeffrey Kline and Laurie Hollida received certificates for having won second and third places, respectively. The Cobb Award, to the sixth grade boy for making the greatest improvement in conduct, was won by Bobby Dawson. Other awards were as follows: Audio-Visual Aids Award - Erwin Van Anderson and Thomas Surles; Presidential Physical Fitness Awards, Wilhelmina Garner, Sandra Hager, Leah Sherrill, Alexander Jamison, Robby Williams, Cynane Robinson, Patricia Garner, Pamela Kennedy, Della Whack and Sharon Potter. Citations were presented in the following areas: Spelling, Safety Patrol, Audio-Visual Aids, Perfect Attendance, Reading Class, Art, Library, Music, Student Senate, "A" Honor Roll and Good Deeds. The sixth grade class rendered a musical selection, "The Sound of Music." Greetings and announcements were made by L. M. Goode, principal. He expressed gratitude to the Lyon Park School Staff, Student (Continued on page 4A)
