vice president of Mutual Savings & Loan Assn.

He was born in Greensboro, August 4, 1890. He graduated from N. C. A. & T. University with a B. S. degree in 1907, from Howard University in 1911 with an A. B. degree and from the Harvard University Medical School in 1915. He interned at Massachusetts General and Boston City Hospitals. He did graduate work at Harvard in X-Ray and Physical Therapy in 1922, 1924, and 1932.

Dr. Donnell pioneered in the study of the causes of adverse mortality and morbidity in the Negro population. He spearheaded the formation of projects and programs for general health education among black citizens as well as continuing education of black physicians. His first step was to organize the Life Extension Department medical director of that firm. This was to organize the Life Extension Department of the North Carolina Mutual Life Insurance Company shortly after his appointment as medical director of that firm. This was the means of distri bution of reams of health literature throughout North Carolina and eight other southern states.

Later, as an officer of the

## Residents Meet at Shepard School To Discuss UR Project

By JOHN MYERS

In December, 1970, the Redevelopment Commission introduced a proposal for NCR -14, Zone 12 redistricting. At present the housing is single units under urban renewal consideration. The 1970 proposals would have built multi-family housing developments. The community residents turned the proposal down stating that they did not want multi-family units. They wanted to retain the single unit structures presently occupying the community boarded on the north by Columbia Street, on the south by Nash Street, and east and west by Fayetteville Street.

Monday night 10, community residents met with James Kerr and Charles Tillman of the Durham Redevelopment Commission at Shepard School to again discuss proposals of urban renewal. The Redevelopment Commission, at this time, proposed one and two-family units. They could not go lower than two-family units according to Kerr. The citizens tentatively accepted the proposal pending approval by the Commission, the City Council, and the Department of Housing and Urban Development.

### Welfare Declines

FRANKFORT, Ky. Kentucky reports its welfare rolls down by 4,300 persons from April 1970 to March 1971. Spokesmen said part of the decline is due to a program under which private citizens help find work for qualified welfare clients.

## GTE to Seek for Increase in Its Phone Rates

General Telephone Company notified the city of Durham, Oct. 4, of its intention to ask the State Utilities Commission for an increase in revenues of over $2.4 million annually from its North Carolina exchanges.

General's state manager Claude O. Sykes, said the application for rate relief will be filed with the SUC early next month.

Sykes said the company's application will not ask for increases in rates until after the current freeze on wages and prices is ended.

"We expect the commission will place the request in sequence with the other similar requests already in file," he said.

The company's application is based on cost levels and economic conditions experienced by the firm for the twelve month period which ended May 31, 1971, the manager said, "but inflationary economic conditions have continued up to and beyond August 15, the date of the president's order."

"The company's date re-

## HELP HOUSE RECEIVES DONATION OF $25 FROM LAMBDA MEN'S CLUB

By JOHN MYERS

William J. Stewart, President, J. Quinton Parker, Vice President, James Harrington, Secretary, and Jethroe (Jeff) Rogers, Program Chairman of the Lambda Men's Club presented a check for $25 of a $100 donation pledge to Help House for their fight against drug problems in Durham, Friday 8,

Lambda Men's Club is a civic organization of Durham with a policy of donating to charities periodically. This is the first time the club has helped an organization other than a recognized charity. Some of the club's usual donations go to the Salvation Army, welfare associations, and scholarships. Stewart said the club made the donation to Help House because it feels the programs of Help House are very worthwhile and that more people should take an active part in their enactments. Stewart also said that Lambda Men plan to assist Help House on a

## Two N. C. Central U. Football Players Facing Murder Charge

A Grand Jury of the Durham County Supreme Court returned a true bill of first degree murder indictment against two North Carolina Central University students this week. McGrue Booker, 20, of Jacksonville, N. C., and Larry Hatten, 20, of Winston-Salem, N. C. were charged in the alledged October 8 slaying of Ollie J. Spraglin, 21, of Plainfield, N. J.

Police sources based on eyewitness accounts of the incident stated that Booker and Hatten, two freshmen members of the NCCU football team alledgedly waited in ambush on O'Kelly football field and accosted Spraglin about midnight leaving him unconscious on the field. Police responded to calls and arranged for the removal of the victim to Duke Hospital where he died about 2:00 a.m. an hour after arrival.

According to detectives assigned to the case, there appeared to be no weapons used on the victim. He was severly beaten and abandoned.

Booker and Hatten remained in the custody of the Durham County police without bail. Attorney Kenneth Spaulding of Durham was appointed by the courts to represent Hatten. Booker, however, refused counsel with intentions of hiring a private lawyer, it was explained.

Students and faculty attended a memorial ceremony for Spraglin, October 13, at the college in an air of disbelief and shock over the incident. Sources within the student government stated that "there is a good chance that there is more to the matter than has been brought out."
