Volkamenia Literan

By MRS, MANIE T. GEER The Volkamenia Literary Club enjoys an exclusive distinction. It is alleged to be the oldest such club in the city of Durham. Due to the loss of its history, the date of origin was estimated to have been 1903. Founded by Dr. James E. Shepard, some of the charter members were the late Miss Hattie Jenkins, Mrs. Mary Fitzgerald Dames and two lawyers Mr. Newsome and Mr. Rich.

Educators, business and other professional people make up its membership

For years, one of the major aims of the Volkamenia Club was to inform or refresh its members through great literature. At its bi-monthly meeting various members of the club would review a scholarly ceeded by Mrs. Essel Dunlap.

Since 1863, we have followed, consistently, the last Thursday in November as a day of general Thanksgiving for personal and national blessings. All of the foregoing reasons for thanksgiving are noble, however, we should make Thanksgiving a daily function. Not only by words of mouth, but through kindly deeds, happy thoughts of ourselves and others. These will shine brightly in our eyes and smiles to assure a kindred soul that God dwells within. Also, our thanksgiving should brighten the way for those who have lost their way or feel that hope, in a world of despair, is not like the jack o'lanterns
