# THE YOUTH ARE SOMEBODY

## True Way Church Of God Youth Speaks

MISS CAROLYN LILLY, PRESIDENT  
ELDER WILLIE ALLEN, PASTOR

MISS CAROLYN LILLY

## Youth Goal Goes Over Successfully

By CAROLYN LILLY

The True Way Youth started out for a financial goal of \$200.00 and a spiritual goal of becoming stronger in Jesus name. They were successful in both as stated by the President-Sister Carolyn Lilly.

Minister Hockaday of Jesus House of Prayer opened the conference as the speaker for Monday night. Her message was taken from St. Luke 15:11-14, the subject being "A runaway boy returns home" (the prodigal son.) There were two selections by three youths representing the Jesus House of Prayer.

The True Way Mixed Choir also sang two selections. Remarks were made by Minister Graham, and Minister Jones as well as our pastor, Elder W. G. Allen.

On Tuesday night our speaker was Elder Bradsher. His message was taken from Romans 8:1, the subject being "Walking in the Right Spirit" (they that are after the flesh do mind the things of the flesh, but they that are after the spirit, the things of the spirit.) He was accompanied by Overseer Meadows, Bishop Russell and his congregation. The Russellettes presented us with three selections. A visitor, Susan Pervis sang a solo, "Nobody knows the trouble I've seen." The gifted and wonderful "Little" Regina Meadows sang from her heart, "I Made a Vow to the Lord." Her solo was one of our greatest and most spiritual highlights of the night. Remarks were made by Overseer Meadows, Bishop Russell, several visitors, as well as our pastor, Elder W. G. Allen.

Wednesday night we were blessed with a young and inspiring minister. Minister Murray. His message taught us that God's people are the apple of his eye. It also included that some things good can come out of the worst kind of people. I know that this was encouraging to a lot of young people who have been told that they will never amount to anything. The True Way Tots Choir sang two selections.

Bishop Wilson spoke to us on Thursday night. His message was taken from 11 Kings 5:1; the subject being "God's got work for you to do" (God can use a young child as well as an old person to do his work). The Tots Choir sang from their hearts, "I don't know what you come to do."

On Friday night, Bro. Jerry Langston presented a short message consisting of encouraging remarks to the young people. He stated that we should try to lift the young people instead of downing them. Later on Bishop Johnson of the Shiloh Apostolic Faith Church came to us with his message taken from Ecclesiastes 12. "Remember thy Creator in the days of thy youth." We also raised the highest nightly total this night.

The offering for the night was \$51.77. Sister Johnson gave remarks concerning the youth of today. Overseer Meadows was our speaker for Saturday night. His message was taken from John 11:27-28; the subject being "The Master cometh and calleth thee." He was accompanied by his lovely family. They sang two beautiful selections "A Heart Like Thine" theme song and "God Needs Workers in the Vineyard" lead by Sister Meadows. The True Way Mixed Choir also sang a song of joy, "I Saw the Light." Bishop Russell was there to give remarks along with several others.

Sunday afternoon our final day, Evangelist Edwards was the speaker. Her message was taken from St. Mark 16:15-18; the subject being "Go ye into all the world and preach the gospel to every creature."

The Young Adult Choir of The Church of God in Christ Jesus accompanied her. They sang three selections. We raised \$45.25 that afternoon. (Second place to \$51.77).

The True Way Youth Conference ended Sunday afternoon, May 19. The Most Outstanding Young People are: President-Sister Carolyn Lilly, For citations: Diane, For Ushering-Roberta Lilly, Marnita Thom, Jn, Partice Thompson, Phillip Langston, For offering-Tolon Hodges, Darin Langston, Roberta Lilly.

We thank all of the young people for their support. Total for the week \$200.00.

To Our Pastor, Elder W. G. Allen & The Congregation; We, The True Way Youth extend our most gracious gratitude to the ones who gave us their most loyal and loving support: Sisters V. Witherspoon, Annie Lilly, G. Langston, C. McKinley, E. Jones, L. Leathers, M. Elliot and most of all our Pastor, Elder W. G. Allen.

If we left anyone's name out, please accept our gratitude. Let us not forget the one who made all of this possible—"God." True Way Youth Pres. Sister Carolyn Lilly, Pastor-Elder Allen.

character and strengthening abilities while providing various opportunities to the young men of the community. The Salvation Army Boys' Club and the Avery Boys' Club Durham are no exceptions. They offer a variety of programs designed to "Keep the boys' off the street" and teach them useful skills at the same time.

According to Mr. Lee W. Smith, Jr., Executive Director of the Avery Boys' Club, "the organization provides, not only recreation, but guidance also." "Quite often the boys who attend the club are seeking discipline, recognition, and someone in whom they can place confidence. We try to give them these things." Mr. Smith feels that the club has been very successful in instilling the boys a sense of pride and belonging which will follow them throughout life. Proof of this is the long list of former Avery Boys' Club members who have become successes and continue to contribute time and money to the Boys' Club. Among these is Sam Jones, present coach of NCCU's basketball team and former coach of the Boston Celtics.

Founded in 1939, the Avery Boys' Club has a membership of 685 boys. It began on March 16, 1939, when Mrs. Mamie Dowd Walker, the Judge of the Juvenile Court of Durham,

requested the Negro Citizens' Committee to help solve the problem of juvenile delinquency among Negro boys of the community. The committee responded to the request of Judge Walker and initiated a financial campaign for funds to start a boys' club project. On May 12, a temporary organization of the club was formed.

Times change and so do boys' clubs. They are no longer located in slum areas only and no longer are their activities restricted. "Kids today are more mature and more diversified" says Emmanuel Crosland, Executive Director of the Salvation Army Boys' Club. "We have to get involved and find out what they want, then try to give it to them."

Today, the activities of both boys' clubs cover a broad range. The physical program offers football, basketball, baseball, soccer, track, etc., the social program includes chess, table tennis, billiards, bumpa pool, for par golf, parties, and family night, art and craft includes painting, enameling, ceramics, decoupage, etc., and library resources are available. There are health programs as well as one of the goals of the Avery Boys' Club is to coordinate its health program with the Lincoln Hospital Center and provide educational movies and lectures.

### A TOKEN TO THE YOUTH

Young people today are assuming more responsibility at an earlier age, both nationally, and locally. The government has given them the right to help determine this nation's policies through voting. The community activities offer the chance to instill in them the desire and the abilities to make changes-the right changes.
