### Spicy Apple Pie Warms Winter Company

The kitchen has always issued a silent but compelling invitation on chilly days. When weather wasn't fit for man nor beast. Grandma turned to baking. Nice 'N Spicy Apple Pie is an updated version of the fruit-filled pastries that came from ovens of old. For convenience sake, the Golden Brown, flaky crust is made from a trustworthy pie crust mix. Nice 'N Spicy Apple Pie is meant to cheer family at dessert time and rosy-cheeked friends who drop in for coffee and conversation!

**NICE 'N SPICY APPLE PIE**  
Makes 8 servings

One 10-oz. pkg. Flako Pie Crust Mix  
3 to 4 tablespoons cold water  
1/2 cup granulated sugar  
1/4 cup firmly packed brown sugar  
1/4 cup sifted all-purpose flour

1 teaspoon cinnamon  
1/2 teaspoon nutmeg  
1/4 teaspoon salt  
6 cups pared and sliced cooking apples  
1 tablespoon lemon juice  
1 tablespoon butter or margarine

Heat oven to hot (425°F.). For crust, empty contents of package into bowl. Sprinkle water by tablespoons over mix; stir with fork until dampened. Form into ball. Divide into 2 parts, one slightly larger. Roll out large part on lightly floured board or canvas to form a 13-inch circle. Fit loosely into 9-inch pie plate. Trim.

For filling, combine sugars, flour, cinnamon, nutmeg and salt. Sprinkle apples with lemon juice; stir in sugar mixture. Pour apple filling into pie crust; dot with butter. Roll out remaining dough to form 12-inch circle. Cut slits for steam to escape. Place crust over filling. Trim; turn edges under; flute. Bake in preheated oven (425°F.) about 45 minutes; cool.
