### Spelman Students Perform With Morehouse Marching Band

A "first" occurred on Saturday, October 25, at half-time of the football game between Fisk College and Morehouse College. The traditionally all-male Morehouse College Maroon Tiger Marching Band, under the direction of Dr. W. T. McDaniel became co-ed with the addition of fourteen "lady instrumentalists" from Spelman College.

Dr. McDaniel, Chairman of the Music Department at Morehouse stated that "majorities from Spelman College were added to the band in the fall of 1971, but it was not until this year that we were able to gain the services of ladies as instrumentalists. There was some difficulty in the past in clearing the rights of Spelman students to participate in the Morehouse band, but now the situation has been cleared by the administrators of both colleges."

Dr. Hugh M. Glozier, President of Morehouse College stated that "Morehouse and Spelman are two of the most closely associated predominantly black colleges in the country, and they have an excellent record of international co-operation. The addition of Spelman students to the Morehouse band is just another example of this cooperation."

Dr. McDaniel stated that there are currently 82 instrumentalists, 12 majorettes and one drum major in the Morehouse Band.
