HALF A SHIP—It looks as though the forward half of this cargo liner, the Mormacdraco, is sailing out to sea—and it is. By cutting the Mormacdraco in half and fitting her with a new 115-foot midbody section, Moore-McCormack Lines, Incorporated increased the ship's container-carrying capacity from 199 to 521 20-foot units. The shipping line, a subsidiary of Moore-McCormack Resources, Inc., now has a second liner in drydock undergoing a similar stretching operation. (HK)

your week ahead

BY DR. A.W. DAMIS

Forecast Period: February 1 to February 7

ARIES
Mar. 21-Apr. 19

This week, your situation might very well be a bad case of...almost getting it right. So, check your facts.

TAURUS
Apr. 20-May 20

Dreams and even making plans to travel to some exotic locale, shows in your chart. You're entering a restless phase.

GEMINI
May 21-June 20

It seems as though most persons of your sign will be at odds with an older member of the opposite sex.

MOONCHILD
June 21-July 22

Take care! Your temper and a financial blunder might get you into trouble; what's more, your pride might keep you there.

LEO
July 23-Aug. 22

Proceed with caution! You could easily commit yourself to a non-productive obligation that might tie you up for several weeks.

VIRGO
Aug. 23-Sept. 22

Stellar patterns recommend that members of your sign write letters; make telephone calls; contact a person who is at a distance.

LIBRA
Sept. 23-Oct. 22

Rumors bloom in full glory, this week. It would be a good idea to avoid any discussions that concern your personal affairs.

SCORPIO
Oct. 23-Nov. 21

A chronic problem in the form of a "friend" will flair up, this week. Actually, it's not an ideal time for renewing old friendships.

SAGITTARIUS
Nov. 22-Dec. 21

Don't try to pressure an associate into thinking the way you think—it won't work! You'll achieve more by going along with an associate's "game plan."

CAPRICORN
Dec. 22-Jan. 19

Most members of your sign, will indeed, become involved in a clandestine meeting. Meaning! There's cloak and dagger activities due.

AQUARIUS
Jan. 20-Feb. 18

If you are waiting for a letter or an acknowledgment; it's not likely that you'll be pleased this week!

PISCES
Feb. 19-Mar. 20

It's possible, very possible, for you to become extremely ungrateful. Don't "needle" or provoke a very close associate.
